

Focus for the Term Ahead

This week we have a series of Assemblies for pupils to outline our key areas for the term ahead. These include:

- Start of the Lesson
- Mobile Telephones
- During the lesson expectations
- End of the Lesson

It has been pleasing to see all pupils following the advice from each focus; the early feedback from pupils and staff if that these are having a real positive difference to the learning environment.

Thank you to you as parents and carers for your support of these policies.
