

Welcome Back!

It has been great to see everyone settle quickly back into school for the new term. There are lots planned between now and Christmas; please check the website, X and blog for regular updates.

First Year Parents' Evening

Thank you to everyone who supported this event. Feedback has been overwhelmingly positive; with some points to consider for future parents' evenings. As a school we are committed to continuously improving our home—school communication channels and we intend to hold a number of parent / carer focus groups to evaluate our reporting systems. If you would like to be a part of these groups please contact school enquiries (trinityhighenquiries@renfrewshire.gov.uk) and someone from the school will get in touch.

Satchel One

As a parent or guardian, you can log into Satchel One for visibility of your child's homework tasks and upcoming assessments. In order to ensure effective communication we also use Satchel One to publish whole-school announcements and letters. This year, there has been an administration issue between two systems which has delayed this being operational. This is now resolved and we can now utilise this useful resource.

Parents who are not set up / registered will receive an introductory letter next week. Your introductory letter will provide info on how to set up your account - please contact the school office if you do not receive the letter by Friday 1st November or you have forgotten your details.

S1 Pupils will log in to Satchel One this week with all S1 pupils signed up by Thursday 31st October.

To receive notification on your phone of newly published announcements, go to Settings / Notifications in the app and slide the 'Push' toggle in the Notices section.

The link below provides more info as well as video tutorials on setting up your account and using Satchel One (scroll to the bottom of the page for video tutorials):
