

I hope you all had a lovely long February weekend. The last half term has been a very busy one with prelim examinations, parents' evenings, careers evenings and various trips. The second half of this term is just as busy; senior pupils are completing SQA coursework, pupils in S2, S4 and S5 are completing options and we continue our transition programme for P7 pupils. I hope you continue to find this weekly update informative; if you wish for any further information please do not hesitate to contact me directly at the school.

Kind regards,

P. Marshall

### Cardinal Winning Lecture 2025

This year's lecture series takes place on Saturday 1st March. 2025 marks the 25th anniversary of the merger of St Andrew's College and University of Glasgow and presents an opportunity to engage in dialogue, with a focus on: Catholic Teacher Education – the next 25 years.

The format of the event is as follows:

9.30	Mass (celebrated by Archbishop Nolan, University Memorial Chapel)
10.15	Light refreshments (Melville Room, University of Glasgow)
11.15	Panel event and Q&A (Bute Hall, University of Glasgow)
12.50	Prayer
13.00	Finish

For the past few years we have taken a contingent of senior pupils to this event. Any senior pupil (S5 and S6) who wish to attend should speak to myself at the beginning of next week.

### Duke of Edinburgh Success

Congratulations to everyone who received their Duke of Edinburgh Awards at this year's awards ceremony in Paisley Town Hall. Mr Brooks and Mr McEwan accompanied pupils and their family to this event. Well done to S4 pupils Holly and Emily who spoke at the evening.

### S1 Synagogue Trips

As part of our continued commitment to promoting our school core values through our curriculum S1 pupils enjoyed the opportunity to visit a local Synagogue as part of their RE curriculum. During the visit young people learned about this important place of worship and the work being done to support their local communities.
