

## Anniversary Mass

Please enjoy a selection of photographs from our Anniversary Mass.  
Thank you to everyone who supported this event.

### Senior Phase Evening

Our SQA and Senior Phase Information Evening will take place on **Thursday 18th September**. It will begin at 6pm and there will be lots of valuable information from staff to support parents, carers and young people. We will look at pathway options, SQA support and support for students who are applying to University through UCAS.

Please come along and support this evening

### S1 Information and Parents Evening

This will take place on **Tuesday 30th September between 4.45pm and 7pm**. This event will allow parents, carers and pupils to visit departments across the school. Teachers of S1 pupils will be present and will be able to show work currently being undertaken or have a brief discussion about how pupils are settling into the school. I will provide more details in a separate letter.

We are sure this will be an enjoyable “Meet the Teacher” style event

### School Calendar of Events

The full school calendar has now been published and can be accessed here:

[School Planner \(FULL\) 2025—2026](#)

Where more details for events is required we will update you in a separate communication.

### Free Breakfast Provision

We have been offering a free breakfast provision (Magic Breakfast) for a number of years now. This is available every morning in the social area from 8am—8.50am. Pupils can get breakfast items such as bagels and toast. This is open to everyone in the school.

**Magic Breakfast supports your child's school to provide nutritious breakfasts each morning.**

**We're pleased to let you know that your child can enjoy a free, healthy breakfast at school every day.**

A well-balanced breakfast can positively impact learning, well-being, concentration, friendships and much more.

And with breakfast on offer each morning, you can be confident your child has access to the food they need to start their day fuelled and ready to learn.

**Ask at school how your child can access their free Magic Breakfast!**

### **Did you know?**

Young people who regularly consume breakfast each morning achieve nearly two exam grades higher than those who don't.\*
