Upcoming Events

The leadership team have been hard at work to organise a number of events for the school.

On Friday 19th September we will be hosting 'Beat the Kady' on the pitch at lunchtime. S6 pupil Kady will be in goals and for a donation of £1 you can take a chance to score past her.

In November, One Trinity and the leadership team are working together to organise a culture day for S1 and S6. If you would like to get involved speak to Aimee Hughes or Isabella Stratford.

Follow the school instagram at @trinity.high for updates and information about events going on within the school as well as more information about the leadership team.

One Trinity

One Trinity is the inclusivity and diversity club within the school founded by pupils for pupils. It is a safe space for everyone in the school and raises awareness for the 9 protected characteristics. The club is run by head pupil Finley Luse with the help of Ms Nelson and Mrs Todesco so if you have any questions, please speak to one of them. The club meets every Thursday lunch time in Ms Nelson's English room, feel free to pop along and say hi!

Meet Erin and Finn

"Hi everyone, I'm Finn! My favourite subject is maths, the highlight of my week is advanced higher maths with Mrs Dillon. After school I hope to study Psychology at St Andrews University! Outside of school, you'll find me watching formula one, at a concert or off on an adventure across Scotland. I look forward to the year ahead!"

"Hey everyone, I'm Erin! Some of the things you should know about me is that I love to write and learn about new topics - the highlight of the day is during advanced higher english! Outside of school I like to run and read, and I hope to study law at Glasgow University. I'm excited to help out within the school community!"

Past Events

Last week S1 had a seminar day with an input from our new S6 MVP mentors (Mentors in Violence Prevention). They taught the S1 pupils how to be an active bystander and when this is appropriate. The feedback afterwards was very positive and we think they found the session beneficial!

On Tuesday a group of students attended the Aid to the Church in Need Youth Rally in Hamilton. They were joined by Catholic schools across the local area and focused on breaking the silence on religious persecution and exploring ways we as pupils can make a change. Elizabeth, Ava, Luke, Daniela and Aimee from the pupil leadership team all attended and really enjoyed it.

Sponsorship Opportunity

We are looking for someone to sponsor the girls football team within the school. If any parents are interested in helping, contact Mr Marshall or the school office.

Raising Awareness

This week was National Suicide Prevention Week. If you are ever feeling down and need someone to talk to there are many resources and people in the school you can reach out to. The school offers free in-person counselling through Exchange Counselling, if you are interested in this please speak to your pastoral teacher.

Tuesday 23 September is International Day of Sign Languages. To raise awareness and celebrate this, One Trinity have organised a BSL interpreter to come into the school and provide short lessons teaching the 'need to know' signs. We are really looking forward to this and hope it proves beneficial
