ekoSTEM

EKOSTEM is a training program that is part of the STEMAZING initiative, which aims to improve STEM (Science, Technology, Engineering, and Mathematics) engagement skills.

This week we welcomed the team to Trinity for workshops with pupils in S2.

Careers in Geography

This week we welcomed colleagues from across Renfrewshire as well as partners from the University of Glasgow to showcase careers in Geography.

Pupils from S3 enjoyed interactive presentations and had the opportunity to ask questions to our invited guests.
