Comments

1. What did you particularly enjoy/ find useful?

- How excited all the kids were about reading and how we can support them
- Presentation and reading strategies
- The parental presentation and the book recommendations from the children
- Listening to what we should expect over the next year and how the reading books will be categorised
- Hearing about the literacy goals
- Hearing from the pupils in the gym hall about their favourite books. Presentation was great and could see how hard they had all worked on it. Well done!
- It was helpful to learn about the different approaches being adopted by the school
- Interesting to see the reading process
- Learning about the banding and seeing the variety of books the kids are reading – more challenging than I thought

2. Do you have any suggestions as to how we could improve the event?

- No – it was perfect
- More information for upper school/older children
- No it was very informative
- Bring their own books to Reading Café

3. What is the one thing you will take away with you from the event?

- I need to read more in front of the kids
- I learned about new books
- It was nice for parents and children to get together
- The changes in banding structure
- How good it is to read
- Have fun with reading!
- Getting the reading level right for every child
- The importance of encouraging my child to read
- To inspire a love of reading

4. Any additional comments

- This was an extremely beneficial evening and very informative – thank you!
- Great event
- Loved the presentation and found it very useful
