School Transport

Dear Parent/Carer,

I am writing to give you further information regarding school transport this year. SPT will already have contacted you regarding your child's bus pass and this year's bus times/bus stops. Below is a list of school bus procedures to help keep pupils safe from coronavirus:

- All pupils are asked to wash their hands before boarding the bus
- Pupils do not need to wear face coverings on board but are permitted to do so if they wish
- Pupils will be encouraged to carry tissues with them to catch their cough or sneeze. Catch it, Bin it, Kill it.
- Pupils will be encouraged to carry a small disposable bag to store used tissues and dispose of disposable face coverings at home
- Pupils will be encouraged to carry hand sanitiser for use when travelling
- Pupils will be met by school staff in the bus bay and will be reminded to wash their hands on arrival
- Pupils will be asked to wash their hands before boarding the bus at home time
- Pupils are asked to leave the front row of seats free to allow physical distancing between them and the driver
- Sibling groups are asked to sit together at the back of the bus. Seating plan below
- Pupils travelling without siblings are asked to sit beside pupils from their year group; front to back, youngest to oldest. Seating plan below
- Renfrewshire Council's School Transport Risk Assessment is available on our school website

Director of Children's Services: Peter MacLeod

School Transport - Seating Plan

			Aisle	Driver
