Dear Parents and Carers

Traffic Management around the school

Renfrewshire Council are currently supporting schools to stop inconsiderate and dangerous parking around schools and to ensure that vehicles are not idling when parked.

Wardens were present at school last week and will be returning over the next few weeks to ensure that parking and idling around the school is not presenting a danger to children.

We appreciate how difficult it is to get parked at busy times but I know that you will all agree that the safety of our children is of paramount importance.

Please remember that parking is available in East Lane, round near Tesco and on the waste ground beside the old Arnold Clark building.

Thank you for helping us to keep our children safe.

Kind regards

Nova Scott
