Head Teacher: Mrs Nova Scott

30 October 2018

Dear Parents and Carers

Trim Trail

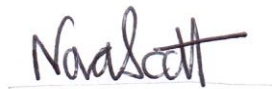

You will have noticed that our trim trail has been fenced off for some weeks now. There were two separate accidents that resulted in broken bones. As a result of these, I opted to bring forward the annual safety inspection by a few weeks.

The inspection showed a number of faults with the trim trail and the advice given was that it must not be used until they can be rectified.

I am now waiting on a cost to repair, replace or remove. The school business manager has been chasing this cost up with the company and we await their response.

I will update you further once I know the costs involved.

Kind regards

Nova Scott
Head Teacher
