

On Monday 19th February, we are hosting a fundraiser event for our P6 pupils who are going to Lochgoilhead soon.

P6 pupils who are going on the trip are using the opportunity to do a sponsored bounce to help raise funds for the trip and the bouncy castle is being supplied by one of our wonderful families to help the cause.

The P6s would like to extend the fun to everyone in the school and are offering everyone an opportunity to have a bounce in exchange for a small donation on the day -our P6s will be helping with the event on Monday and are asking for any donations to be put into their buckets on the day.

If you could spare any small amount, it would be greatly appreciated. Please send your child to school on Monday with their donation and this will be collected when it is their turn to have a go.

School staff will be supervising the event in the hall. To take part, children must remove their shoes and also be wearing socks/tights. As with any physical activity, jewellery must be removed before taking part (earrings can be covered with tape), long hair should be tied back and any metal hair clips etc removed, pupils should not participate wearing false/acrylic style nails.

We are really looking forward to some fun on Monday and appreciate any support that can be offered. Funds taken on the day will be given to the Lochgoilhead fund directly.
