Any Other Business-

When holding school disco's a list/guide will be available for our helpers and a mention about health and safety will be added to make helpers/volunteers aware about dangers of hot drinks etc. We have been thinking about other events to hold with ideas including Christmas disco, bingo night for parents and quiz events. We have been asking local business if they are able to help with donations. A copy of the code of conduct will be added to the school's website as well as the parent council Facebook page. A parent ambassadors meeting will be held on **Tuesday 12th November 2024 between 12:30pm-2pm at Arkleston learning hub**. The funding for Brain finishes at the end of the year and the school are looking into funding to keep him on. As most parents are unsure of what Brian dose, he will be making videos to help parents understand more about him which will be added to the school website.

Thank you to all that attended the Parent Council Meeting.

Next Parent Council Meeting will be held on Tuesday 10th December 2pm-3pm.
