

Speech & Language Therapy

Drop-in Advice Clinics

For Children & Families living in Renfrewshire

The Drop-in Clinic is a session for parents/carers who want advice about their child's speech and/or language development. You will have the opportunity to discuss your child's development with a Speech and Language Therapist. We can give you advice and ideas on how to help your child's speech and language development.

Your health visitor, GP or your child's nursery/school may recommend that you visit a drop in clinic. They are open to families who live in Renfrewshire.

No appointment or referral is required for the morning session. It is a 'first come....first served' system, and you may have to wait to be seen. If the Drop-in Clinic is very busy, you may prefer to come back to the next scheduled session or contact the department to book an afternoon time slot.

The morning session runs between 10.00am-12noon in each clinic. No booked time slot is required for this session.

The afternoon session runs between 1.30pm-2.30pm in each clinic. A bookable time slot is required for this session. You can book these by contacting us on the number below.

You can attend any session with your child, no matter where you live in Renfrewshire.
