School Lunch Arrangements

Dear Parents,

As of Tuesday 22nd September, we will begin to offer a limited choice of menu to all children within the school. Children who normally choose to bring a packed lunch to school can continue to do this as this is working well also.

All children in P1-3 are entitled to a free school lunch to the value of £2.15 and for those who choose to have a school lunch, we will be moving to a table service system, which will be organised as follows:

Children in Primary 1-3 will in advance with parents, make a lunch choice from the menu.

After washing hands, children will be brought to the hall by a member of staff. Children will sit in the same area of the hall each day, at a table allocated to their class.

Lunch will be served to the children at tables by our catering staff.

Children will clear their own space before leaving the dining hall and staff will wipe their tables but they will wipe their own chair down and help us out. They are getting used to helping in their class areas too.

To introduce this way of working to the children, we are introducing a slightly reduced menu, and would ask that parents work with their children to identify their choices from the menus below in advance via the weekly links provided.

We would ask that ALL parents of children in P1-3 complete your order for next week by clicking on the link in this email by **Thursday 17th September before 10am**. If your child is having a packed lunch - it would be helpful to know this.

Best Wishes,
Karen Butler
