Can you help baby bear?
Goldilocks has broken baby bear's chair! Can you make him another one?

- ❖ You could make it out of cardboard or other recycling.
- ❖ You could use Lego or other building toys.
- ❖ Will you make it big enough for you to sit in or for your teddy?
- ❖ How can you make it strong?
- ❖ Remember to use rulers for measuring!
- ❖ Please send us pictures. We LOVE to see them!

ART

Maybe you don't know it, but February 5th was World Nutella Day!

The World Nutella Day was established on February 5th 2007 by Sara Rosso, an American blogger and a Nutella lover ...like me! ☺

To celebrate World Nutella Day, you can create some yummy art which you can eat with your friends, based on the artwork of a famous American artist Jackson Pollock. Pollock was part of a group of artists called the **abstract expressionists** and they used their art to show their emotions, like happiness!

Visit this [link](#) to make a chocolate painting based on Jackson Pollock artwork and inspired by the World Nutella Day.

healthy me

Your topic of learning for the second week is **Scotland**. 🏴󠁧󠁢󠁥󠁮󠁧󠁿 Please continue to explore and enjoy the amazing video learning package created by Mrs McDonald.

I hope you have lots of fun and good luck!
Mrs McDonald ☺

- ❖ [Video 1](#): Basic Scottish country dance steps and techniques (slipping step, skip, change of step, pas- de - Basque or side jump step).
- ❖ [Video 2](#): Listen to the Balamory tv theme tune; clap to the beat of the music. (A music sheet with the words to the song has been provided).
- ❖ [Video 3](#): The Balamory dance.
- ❖ [Video 4](#): Balamory Highland Games.
- ❖ [Video 5](#): Alloway Primary School highland games.

Les langues vivantes

Bonjour! Please use this [ThingLink](#) as much as you can to practise all your fabulous French learning.

Focus Task:
From the [Thinglink](#), focus on link 5: age and links 7/8: numbers.

- ❖ Work with a partner, taking turns to ask: 'Quel âge as-tu?' or answer 'J'ai ___ ans' whilst pointing to the number in the bubbles below.
- ❖ Decide if the person has given the correct age. (You can use the videos on links 7/8 to help when you need them.)

Please focus on the numbers you have been learning in class. Remember you can also challenge yourself and go further if you choose to.

MUSIC

A singing child is a happy child! You are all unique! ☺ Here is a special Assembly song to sing along to: [No one quite like me](#)

Activity: Music Painting (miming)
The relaxing music in this [lesson](#) is *Speigel im Speigel* by Avro Part played by local famous violinist Nicola Benedetti.

The aim of this activity is to relax and feel the musical beat and phrasing using movement.

- Can you hear the violin and piano? Nicola plays long, slow notes.
- How does the music make you feel?
- What picture are you imagining painting?

Tuesday 9th February is Safer Internet Day. Why not visit the [Safer Internet Day website](#) further information, and spend some time talking about the importance of staying safe online ☺

Learning Week Beginning 08.02.21

Below we have outlined a suggested weekly overview of learning. A detailed planner will be shared daily along with teaching video links. Children can also access their tasks on the 'Activities' section on Seesaw. This is great way for them to submit work to the class teacher and receive feedback. We have loved listening their voice clips and seeing their work. ☺

Monday	<u>Literacy</u> <ul style="list-style-type: none"> ➤ Spelling sound 'oa' Look, Cover write check, ➤ Reading Book ➤ 10 am: Microsoft Teams Weekly Meet 	<u>Numeracy</u> <ul style="list-style-type: none"> ➤ CLIC: weekly teaching video ➤ Fractions teaching video ➤ Sumdog challenge  	<u>IDA</u> <ul style="list-style-type: none"> ➤ Katie Morag and the Big Boy Cousins
