Dear Parents and Carers,

## Early Years Centre - Care Plan Appointments and Stay \& Play

The children are settling in well within the early years setting and we look forward to welcoming you in for a range of activities across the session.

Staff have been working closely with the children in their group to develop relationships and begin to set targets for the first term within their Care Plans. We value your input within this process and would therefore like to invite you in to share your child's Care Plan and discuss their targets. Appointments have been scheduled for week beginning Monday $\mathbf{1 2}^{\text {th }}$ September and I would ask that you sign up for an appointment at drop off or pick up time using the sign-up sheet on the noticeboard.

In addition to this, we would like to invite you in for our Stay \& Play sessions which will take place week beginning Monday $\mathbf{2 6}^{\text {th }}$ September. This has changed from the communication you received from Mrs Meney due to our Care Plan appointments. These sessions will give you an insight into Early Years Centre life and I'm sure your child will love showing you around the Early Years Centre and having you there to play with. Please use the sign-up sheet on the noticeboard to sign up to these also. We would ask that we have only one parent per child attending this session. We will be hosting further Stay \& Play opportunities across the year.

I have attached copies of the sign-up sheets for your information, and look forward to welcoming you into the Early Years Centre for the events.

Yours sincerely,
Lauren

## EYC Parental Appointments

Please select a time to come into the EYC to meet with your child's Key Worker. This 5-minute appointment will give parents a chance to discuss their child's progress and how they have settled this term in the EYC. Key workers have set achievable targets personal for each child, and would love to share these with parents and work together to set joint targets where appropriate.

Please sign up to one of the time slots below writing your child's name within the space ().

## Monday 26th September－Friday 30th September 2022

We will be holding regular stay and play sessions in the nursery．You are invited in at the end of the session to play with your child．The doors will open at 2；00pm．We hope that this regular opportunity will give you an insight into nursery life for your child．Your child will love showing you round the nursery and having you there to play with． As we have a large number of children using the nursery，and to accommodate parents work patterns，we will allocate 12 spaces per day over 5 days for parents to come into nursery．We would ask that 1 adult attends the session for each child．Please see the availability for each day on the nursery notice board，add your child＇s name and come along．Please be mindful we have a large number of parents therefore only select 1 day per child．©
