

Primary 4 Term 4 Learning Journey

Literacy

We are so excited to read our class novel "The Explorer" by Katherine Rundell. This book is set in the Amazon Rainforest and is a real adventure story which links in with our Talk 4 Writing genre this term. We will carry out a range of tasks using this novel including the setting up of literacy circles where

Science

We are learning about the human body and will find out more about our skeletal and

RME

We are learning about the ways in which different religions and cultures celebrate marriage,

Numeracy and mathematics

We are exploring expressions and equations and are using function machines to change numbers by following a given rule. We will be exploring different ways to measure length, weight, mass and capacity. We will be taking practical tasks

Term 4

Technologies

Using our Glow logins we will be creating a Sway to share what we have learned about the rainforest – we will share this link on learning journals for you to see towards the end of term!

Interdisciplinary Learning

This term we will be exploring the Amazon Rainforest! We will learn about where rainforests are located around the world, the habitat and which animals live there and how and why rainforests are being destroyed.

Expressive Arts

It is the most fun time of the year – School Show! Rehearsals are well under way and we are practising our song, dance and musical piece in preparation!

We will be recreating rainforest artwork inspired by Henri Rousseau.
