

At Alloway Primary School we aim to develop every child to “be the best they can be” by providing high quality learning and teaching throughout a broad and relevant curriculum. We believe the development of the whole child to be vital.

During Session 23-24 we revisited our Vision and Values with all our stakeholders. We are a Rights Respecting School and have recently been reaccredited at Gold Level. Children’s rights are paramount to our vision and values and are live within the school. Children, parents, staff, partners and our community contributed to the creation of our Vision and Values. These have had a soft launch in Term 4 and will be of paramount focus in Session 2024-25. Children will be encouraged to be Values Champions and display values within the school. It is important that our vision and values are live within the school and followed by all pupils, parents, staff, partners and our community.
