

Primary 5

Alloway Primary School

Term
2

Mathematics

We will focus on finding clue words to identify the correct operation to use in word problems. We shall also develop our understanding of fractions of shapes, quantities and finding equivalent fractions. Through our topic, we will be collating, analysing and displaying our own data in a variety of charts and graphs.

RRS ARTICLE 29

Science

Our Science this term will find us investigating electricity. We will be making simple circuits and discovering what makes a good conductor and what an insulator is. We hope to experiment with switches and look inside a plug.

RRS ARTICLE 29

Religious and Moral Education

In R.M.E. this term we will be learning about a variety of saints and how their lives impacted on Scotland and the wider world. In the run up to Christmas, we will focus on the greatest story ever told and learn about the real meaning of Christmas.

RRS ARTICLE 14

Literacy

This term we will be reading a class novel called "Invasion." Throughout this term, we will be developing our summarising, sequencing, characterisation, and inferential skills.

In writing, we are looking forward to completing a block focusing on the use of poetic techniques such as onomatopoeia, alliteration, similes, metaphors, and personification.

RRS ARTICLE 28

Trains, Planes and Automobiles

Our new topic is all about the science and technology behind transport. We will be carrying out investigations in order to gain an understanding of how different vehicles work. We will also discuss the historical, geographical and environmental issues relating to transport. RRS ARTICLE 29

Health and Well Being

The children continue to enjoy their weekly swimming lessons and will soon complete this block of learning. As well as weekly P.E. sessions, they will focus on Scottish dance in the run up to Christmas.

As part of Anti-Bullying week, we will discuss ways of identifying bullying and the affect that this would have on an individual. Pupils will discuss ways of dealing with this anti-social behaviour as part of Rights Respecting Schools.

RRS ARTICLE 13,19

Technologies

This term we will be continuing to develop our research skills using the internet. We will also be learning how to create charts and graphs to display data on the computer.

RRS ARTICLE 29

Expressive Arts

This term, we will be experimenting with musical instruments linking with our IDA topic. We will be replicating different speeds, rhythms and tones and enjoying Christmas songs to help us celebrate the festive season. RRS ARTICLE 29
