

Information about our class

Session 2026-27

Primary 5G

Class information

Our class is P5G
Mrs Goodwin will teach us Monday - Fridays.
Our PE days are on Tuesday and Friday. It is helpful to wear clothes that are easy to change, like a polo-shirt. We now have navy PE t-shirts that can be purchased through the Parent Council.
This year we have Mrs Herbert for Music on a Thursday and Mrs Martin for Modern Languages on a Wednesday.
We go to Assembly on Monday afternoons where we go to three rotations within our hour slot. We go to Mrs Meney for our assembly input, Mrs Miller for our achievement assembly and Mrs Stewart for the daily mile. Please ensure you bring a jacket.

School Vision and Values

These are our school vision and values. We will all work together to achieve our school vision and demonstrate our values each day. Staff look out for children who demonstrate the values across the school and these children are our Values Champions!

At our school we use positive behaviour management to encourage and reward children for making the right choices in their behaviour. This is based on the values of our school which are respect, co-operation, equality, honesty & responsibility. Alloway is a Gold Rights Respecting School and our class charters underpin behaviour management in classrooms. These charters are created and agreed by the children.

Our class charter is -

Article	Rights holders (children) will:	Duty bearers (adults) will:
Article 2: The Right to no Discriminations	Be kind and welcoming to everyone. Include others in our learning and play. Celebrate and respect our differences. Treat everyone fairly.	Make sure everyone feels valued and included. Treat all children fairly and with respect. Challenge unfairness, discrimination and unkind behaviour. Help everyone feel safe, represented and able to participate.
Article 12: The right to be heard	Share our thoughts and feelings respectfully. Listen when others are speaking. Respect that everyone may have different ideas.	Listen carefully to your views. Make sure everyone has a chance to be heard. Take your ideas and opinions seriously.
Article 28: The Right to Education	Come ready to learn Try our best Help others learn by behaving respectfully	Provide a safe and supportive learning environment. Help you learn and achieve your potential. Ensure everyone has access to learning opportunities
Article 29: Education should help you develop your talents and abilities	Try our best and challenge ourselves. Respect and celebrate differences. Care for our classroom, school and environment	Help you discover and develop your talents. Encourage respect, kindness and inclusion. Help you become confident, responsible and successful learners

Playground Charter

Here is our playground charter. Following this makes sure we are safe and have fun playing together.

Positive Relationship Policy

This session we will be reviewing our Positive Relationship Policy. We want our school values to underpin this policy. Children are learning and can make mistakes. We will work together to ensure children get the best start in life.

Rewards for Positive Behaviour

- Positive recognition for making the correct choices will be given through verbal praise in class and around the school.
- Individual and group points are given in class.
- House Points are given in class and throughout the school.
- Stickers and Certificates are given to pupils as rewards.
- Mrs Meney and Mrs Miller love it when children visit their office to share good news and achievements.

Disrespectful Behaviour

Children are rewarded for making positive choices and showing respect however if disrespectful behaviour continues, teachers will take appropriate action. This may include individual chats to support pupils, contacting parents and informing senior management in order to support children in making the right choices. We want to work together with parents to help support children's behaviour.

<u>Absence</u>	<u>Seesaw</u>
We fully support the South Ayrshire Council campaign called 'Every learner, every day' and will work hard to support children to improve individual attendance. Research has proven that good attendance links directly to attainment. Mrs Park our Principal Teacher will be supporting children and families with this.	This session we will be using the Seesaw app to share learning that happens in the class. We will be using this instead of Learning Journals as it is more user friendly. This is a new version of the Seesaw app which is GDPR compliant. This will become our online profile which children will add to. The Seesaw app

<u>Every Learner Every Day Video</u> Any absence must be reported by 9.30am to the school office either by phone call or by using the ParentsPortal app. Please do not report absence via Seesaw. Please note holidays during term time are not given as an authorised absence.	will be used to share class stories and learning. Teachers will post pictures and information about what the class is doing. This is a good opportunity to share learning with you. We aim to have this set up soon and will share details with you when this is ready to go.
<u>Sharing our targets</u> Children will set learning targets with their teacher. This session children will have an online profile on Seesaw where they record progress with their targets and share work that they are proud of. They will share this with you across the terms.	<u>Uniform</u> Children should wear school uniform. This helps us identify as part of Alloway Primary School. Please name all uniform so it can be easily identified if it gets lost. Please also bring a jacket to school. We will be going outside for outdoor learning and loose parts play. Children can leave a waterproof on their coat peg if they wish.
<u>Contacting the class teacher</u> Should you wish to contact the class teacher we would ask you to phone into the school office to request a phonecall back from the teacher at an arranged time or email into the school mailbox and the message will be passed to the class teacher. We would ask that parents do not email directly into teacher's inboxes. Our school mailbox is - alloway.mail@south-ayrshire.gov.uk This is monitored daily by office staff.	<u>Homework</u> Primary 5 Home Learning This term, children will receive a Home Learning Grid with a range of activities from across the curriculum to support and extend learning at home. In Literacy, a list of revision spelling sounds and a spelling menu will be provided to help children practise key spelling patterns. Children will also continue to develop their understanding of morphology (roots, prefixes and suffixes). This helps children understand the meanings of unfamiliar words, build vocabulary, improve spelling and supports future learning across all areas of the curriculum. In Numeracy, a variety of activities may be provided to reinforce and extend current learning in class. Additional resources may also be added to children's folders throughout the term. Please return completed homework each Friday if you would like it to be marked. Thank you for your continued support with your child's learning.

We want to work closely with our parents and carers this year. We look forward to the session ahead and can't wait to share your child's experiences with you.

Kind regards,

Mrs Goodwin
