**S4-6 Preliminary Examinations  
November/December 2021**

## **S4-6 Preliminary Examinations 2021 - Guidelines for Pupils**

### **Exam Leave - There will be no exam leave for pupils.**

#### **Registration**

Registers will be taken at the start of each examination. There is no need for pupils to attend your period 1 class if they have an exam starting at 9.00am on Monday 29<sup>th</sup> November (English), Tuesday 30<sup>th</sup> November (Biology) and Wednesday 1<sup>st</sup> December (Maths).

#### **School Dress**

You are expected to wear school uniform throughout the diet.

#### **Examination Timetable**

Each student will be issued with an Examination timetable. In addition, timetables will be displayed on various noticeboards throughout the school. Spare copies are available from the school office.

#### **Seating Arrangements**

The invigilators for a particular examination will allocate each student a specific seat. Please note that the seat allocation is likely to be different for each exam. **Please note that different examinations will be held in the same venues – pay attention to seating arrangements and also give due consideration for those candidates still sitting exams when you are instructed to leave.**

#### **Conduct during Examinations**

The same conditions as during the SQA exams will prevail:

- No talking by pupils is permitted
- Pupils are only allowed to carry into the exam - items which will not give any unfair advantage to them. If you are in any doubt, please ask the invigilator.

If a pupil breaches the conduct of an exam, the Invigilator is empowered to remove the pupil's paper and ask them to leave the examination. The parents of any pupil in breach of examination regulations will be informed and attendance at SQA examinations may be at risk. No students will be permitted to leave the examination room in the first 30 minutes or last 15 minutes of the allocated exam time.

- **Pupils should not walk around the school in between or after exams they should go to the canteen and remain in that area until their next exam is due to start or return to class if their exam has finished.**

## **Mobile Phones— note received from SQA**

**“Can I also take this opportunity to confirm current policy on mobile phones and calculators. In no circumstances can mobile phones or any other electrical communication devices be taken into examination rooms. Any candidate found in possession of such equipment will have their examination entry for the exam being sat cancelled. If this situation should arise, invigilators will notify SQA who will take the appropriate action, and also contact a member of the centre staff who will be asked to take receipt of mobiles. Please ensure that you advise candidates of this policy and take appropriate steps to ensure it is applied.”**

**A similar policy will apply concerning the use of calculators: candidates found in possession of an unauthorised calculator will have these removed and their award cancelled. Mobile phones can be handed over to the school office before the exam and returned afterwards.**

### **Absence during Preliminary Examinations**

Any exam missed due to absence **must** be explained by a parental note.

Any clarification on these or any other points should be addressed to Mr Brown, Depute Head Teacher.

### **Emergency Evacuation – in the event of the Fire Bell sounding**

Pupils should remain in the examination room, until instructed to leave by the invigilator. Pupils should leave the room and building, accompanied by the invigilator and assemble at a point next to the greenhouse at the back of the school. The invigilator will inform the DHT in charge that the hall has been cleared. Pupils should not discuss the content of the examination paper. When it is safe to return to the school buildings, pupils will return to the examination room accompanied by the invigilator.
