

Virtual Information Day

Thursday 3 March

At Ayrshire College, we'll help you get your career started, or help you retrain for a new career.

If you're thinking about starting a course with us in August, then join us for our [Virtual Information Day on Thursday 3 March](#).

You can find out about our courses, speak to our teaching staff and find out about funding that's available.

You can choose to find out about as many courses as you like. On the Information Day, a member of the curriculum team will phone you to chat about the courses you are interested in studying.

If you are unsure which course to study, you can have a call back from a Student Services Advisor who can explore some options with you.

You can register for this event by scanning the QR code below and completing a booking form.

If you cannot join us on Thursday 3 March, please call our Student Services Team any weekday between 8.30am and 5pm.

You can book an appointment to see a Student Advisor for your preferred curriculum area either in person, over the phone ([01294](tel:01294555333)) 555333 or by email: studentservices@ayrshire.ac.uk

Scan the QR code to register now!
