Dear Parent/Carer

Please find attached the timetable for master classes prior to this year's SQA examinations. These are study support sessions put on to ensure pupils focus their attention on the exam in the days leading up to the actual event. It is expected that all pupils sitting SQA exams will attend these sessions in full school uniform.

They are welcome to attend school on the school transport and we will ensure there are areas in school for them to study in for the other half of the day- but these will not be focusing on particular subjects- pupils will be expected to bring their own notes to allow them to focus on their study during these sessions.

We will need to know who is in the building so anyone attending these sessions should sign in at the main office and remain in the working areas during these allocated times. We cannot have pupils wandering the school.

Over and above this we are putting on a range of supported study sessions during the Easter holidays which I strongly advise pupils attend to support their learning.

Should you have any questions about these sessions please contact your son/daughter's guidance teacher.

We look forward to seeing you there.

Yours sincerely

*L Traynor*
