# Study Tip of the Week

What you can do to get better exam results?

New demands on you as you prepare to sit your exams you are likely to include:

- Being more self-motivated and taking more responsibility for your own learning - this can be a big change from earlier years, with most teachers viewing it as the student's responsibility to attend and make the most of lessons.
- Asking when you do not understand. (I know this not always easy but you need to!)
- Developing your abilities to overcome frustrations, and strategies for persisting when you are learning material that you find challenging.
- Organising yourself as well as organising notes, handouts and information for separate subjects, and different topics within these.

- Completing more work at home, independently.
- Organising and planning your time over longer periods.
- Understanding the structure of each exam
- Planning and carrying out your revision.
- Perfecting your 'exam technique'.

Perhaps the hardest demand on you is that of understanding the long-term importance of doing the best you can, and learning to shelve short-term fun at times in the interest of long term benefits (not easy even for adults). Interest and effort in education and the long-term benefits this can bring often competes with friendships, the 'right' clothes, social life, romantic concerns, only you can get the balance right.

Parental co-operation is important in this and we would ask that the following guidelines are observed. \*Exceptions will always be made to ensure we are meeting the needs of our children. If your child needs anything different please contact PTG. South Ayrshire Council supports the Academy in asking parents to send their children suitably dressed to school. After the Cullen Enquiry following the Dunblane Tragedy we wish for reasons of safety to identify intruders easily. Having pupils clearly identifiable in uniform is a first step in this initiative.

These reasonable standards of attire should be maintained during hot weather and examination periods. Secondary education is a preparation for the post school experience of all our young people. Employers and indeed society in general accept certain standards in how people turn up for work. We are not being unreasonable therefore in asking our pupils to conform to the standards described above. Indeed a positive approach to one's personal appearance is a reflection of a positive approach to school work.

Do you have a pre-loved Christmas jumper, t-shirt or accessory that you would be willing to donate? We would love to redistribute them in Ayr Academy for our Christmas Jumper Day on Friday 15th December. Donations can be dropped off at the school office, EWO room or Mrs McGarry

If anyone would like to nominate a pupil as one of Ayr Academy's Finest, please email <u>nicola.mcgarry@south-ayrshire.gov.uk</u> with details and any photos you may have. ©
