January Family Update

Message from Mrs Fleming

I hope everyone had a good break over the festive period and that you are looking forward to all that 2026 has to offer.

Class newsletters with an overview of what your child will be learning this term have been sent home. These newsletters also contain information on learning your child can engage in at home. You will receive a paper copy of this home should you wish to stick it on the fridge. In addition, these will be sent via email and Seesaw.

I'd like to highlight that all communication for myself or Mrs Mills should go via the school office. This will ensure we receive it and allow us to get back to you promptly as we do not monitor our Seesaw messages. Seesaw is for communication with your child's teacher only. We have communicated this before but have recently been receiving messages from families via Seesaw and wouldn't like to think that anyone is waiting on a reply to a message we have not received.

Kind regards,

Mrs Fleming

Smart Watches

Following the festive period, we have noticed an increase in children wearing smart watches to school.

Whilst these devices can be useful, we would ask that they are in “school mode” to ensure children cannot make calls, send messages or take photographs in school.

Please note the school will take no responsibility for loss or damage of these devices so we would encourage you to keep them safe at home.

Thank you for your cooperation with this.

February's Rights of the Month

9

I have a right to live with my family if they can keep me safe

Governments should only separate children from their parents if it is the best thing for them.

Governments should make sure children can have contact with their parents if they don't live with them.

In discussions around separation, children should be given a chance for their views to be taken into account when decisions are made.

16

I have the right to keep some things private

There should be laws to make sure a child's diary, online messages and phone calls remain private.

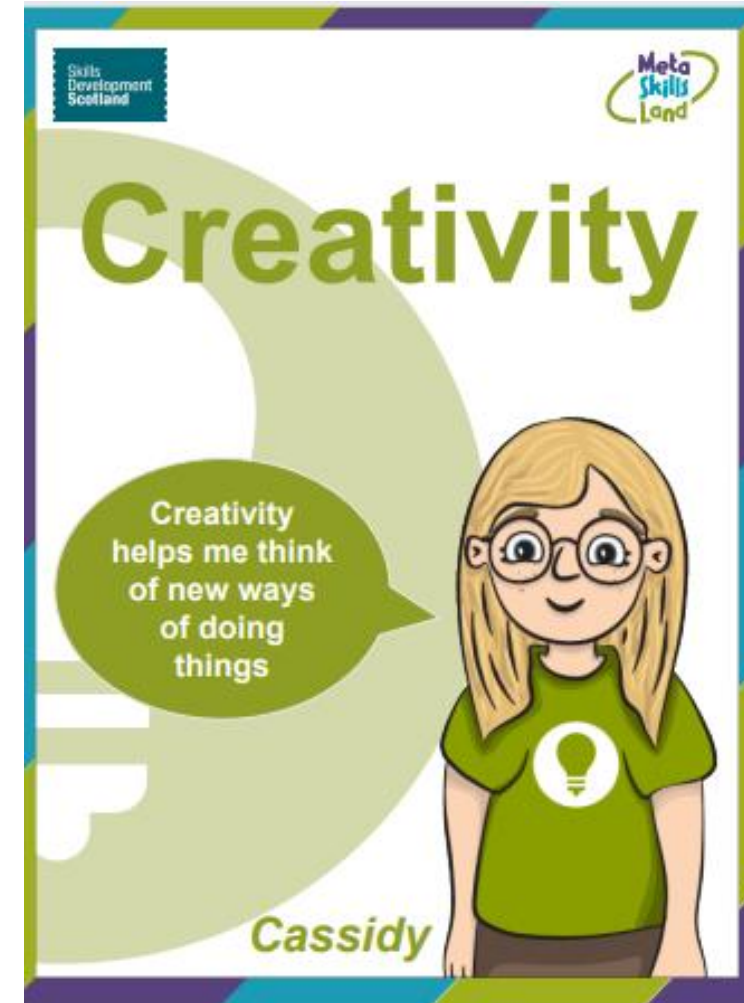

Governments should protect children from attacks against them, their way of life and their home.

Communication

Please inform the office of any changes to telephone numbers, home addresses or email addresses to ensure you can be contacted and to receive regular communication from us.

Day to day communication with class teachers will take place through Seesaw. Teachers will respond at appropriate times to messages but please be aware these are not monitored out with working hours and be mindful that teachers are most likely teaching the class for large parts of the school day. **Information about absences, meeting/telephone requests or appointments should continue to be reported to the school office.**

When requesting a meeting about your child, please do so with their class teacher in the first instance. **Please note that Mrs Mills and Mrs Fleming do not monitor their messages on Seesaw. All messages for them should go via the school office.**

At times, there is only one member of our clerical team in the office. As they have other duties to undertake throughout the school your call may not always be answered. If this is the case, please use the voicemail option and someone will get back to you.
