

Barassie PS and EYC

February Family Update

Message from Mrs Fleming

I hope everyone had a lovely long weekend last week.

Thank you to our Parent Council who have very kindly donated £10 per child towards the cost of school trips. We really appreciate the support of our Parent Council, Troon Round Table and our wider parent body for all of their fundraising efforts and donations. Without this it would not be possible to support reducing the cost of trips for children.

We have had a busy start to 2026 at Barassie. A few highlights include the success of our girls' football team in their match against Onthank PS, our Scottish Poetry Competition, Our P1/2 Ceilidh, our P7 Burns Celebration, our busy EYC open afternoon for new families and our first Anti-bullying Focus Group with pupils and family members working together to shape our updated policy.

Upcoming dates for your diary are included in this update and as always can be found on our school calendar via our website.

Kind regards,

Mrs Fleming

Screens Awareness Week – EYC Workshop

Colleagues from Speech and Language Therapy are delivering a workshop for parents/carers of children in our EYC on Wednesday 4th March at 9:10am.

If you can make it, please enter through the main school doors.

Screens Awareness Be screen smart

Spark a change for children, young people and their families

Screens awareness aims to raise the profile of the impact screen use has on child development, health and well-being.

Excessive screen time:

can result in less time sleeping, poor sleep quality and excessive daytime sleepiness for children and young people

can lead to lower levels of fitness and greater risk of unhealthy weight in children aged 0-18 years

Is linked to low mood and low self esteem in children aged 0-18 years

can impact negatively on social skills and behaviour in children aged 0-7 years

can impact language development when used during the early stages of a child's life

Is associated with a smaller vocabulary in children aged 2 when parents or carers spend long periods of time watching TV or on other electronic devices

Screen awareness is an Ayrshire wide campaign led by Speech and Language Therapy, NHS Ayrshire & Arran's Public Health team in collaboration with the Health & Social Care Partnership's in East, North and South.

The logo for 'INTO FILM' is displayed in a bold, teal, sans-serif font. The word 'INTO' is positioned above the word 'FILM'. The letters are thick and blocky, with a slight shadow effect that gives them a three-dimensional appearance. The overall design is clean and modern.

Pupil Progress Meetings

The next opportunity to discuss your child's progress with their teacher is on Wednesday 18th March 2026.

Information on how to book an appointment will follow on Monday 9th March 2026.

If your child has staged intervention paperwork in place, this will also be shared with you at this meeting.

February's Rights of the Month

9

I have a right to live with my family if they can keep me safe

Governments should only separate children from their parents if it is the best thing for them.

Governments should make sure children can have contact with their parents if they don't live with them.

In discussions around separation, children should be given a chance for their views to be taken into account when decisions are made.

16

I have the right to keep some things private

There should be laws to make sure a child's diary, online messages and phone calls remain private.

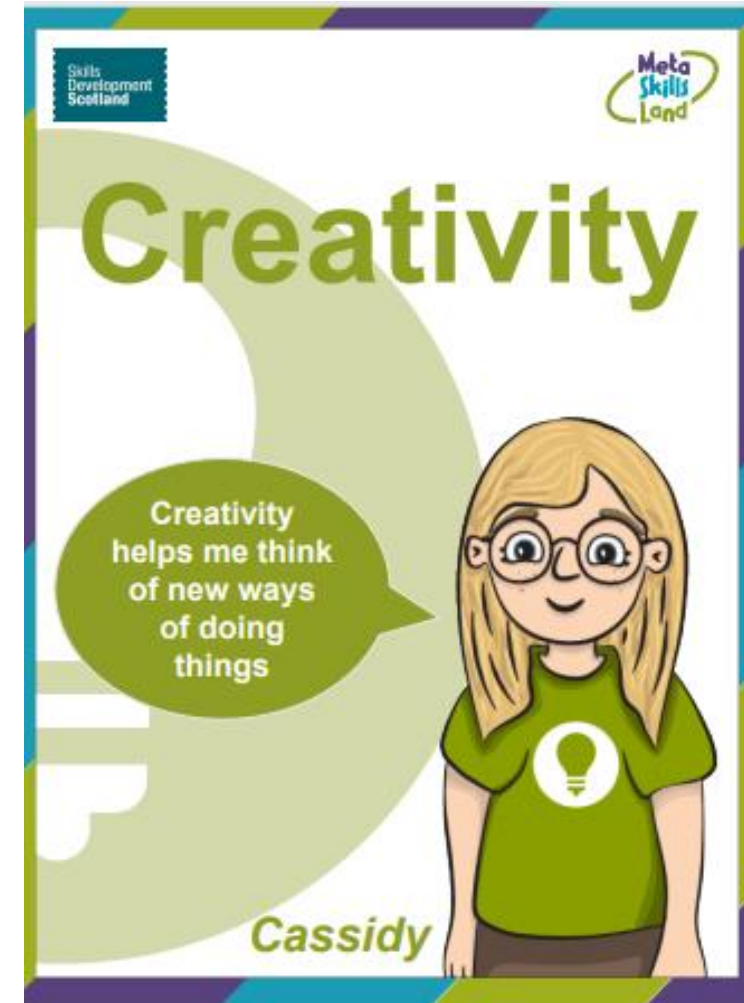

Governments should protect children from attacks against them, their way of life and their home.

WE ARE A UNICEF GOLD RIGHTS RESPECTING SCHOOL

Children's rights are learned, understood and lived in this school.

I have the right to get information and share my views

Governments should help children get the information they need, and make sure that information they access via the internet or other media is accurate.

Governments should let children access and share information, unless it is damaging to them or someone else.

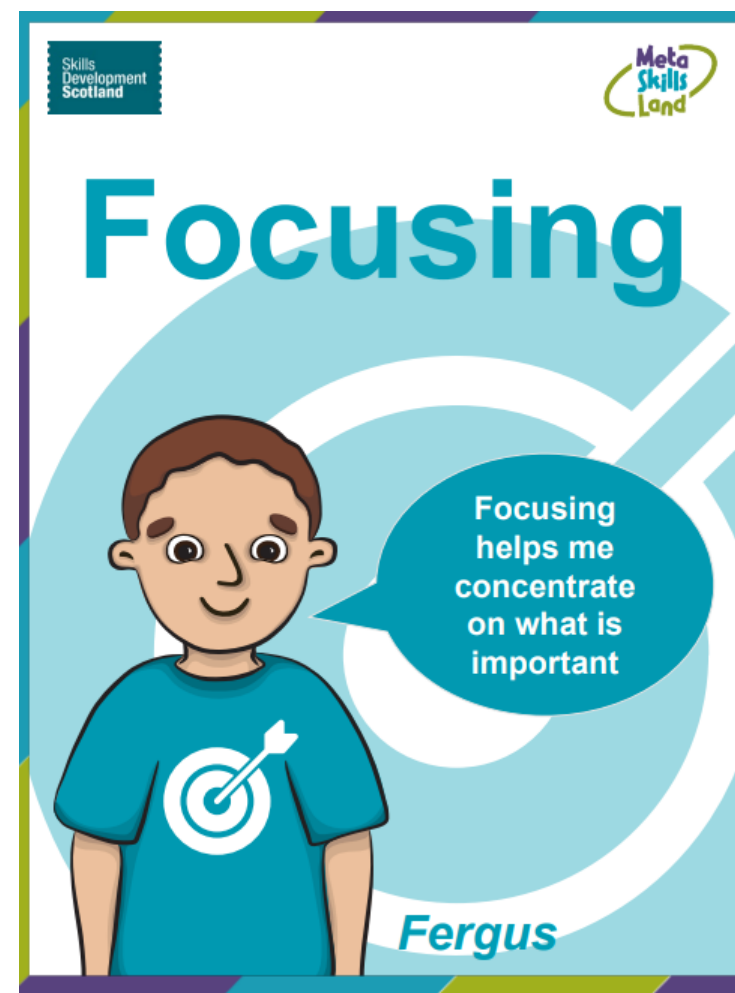

Governments shouldn't stop children from saying what they think.

Communication

Please inform the office of any changes to telephone numbers, home addresses or email addresses to ensure you can be contacted and to receive regular communication from us.

Day to day communication with class teachers will take place through Seesaw. Teachers will respond at appropriate times to messages but please be aware these are not monitored out with working hours and be mindful that teachers are most likely teaching the class for large parts of the school day. **Information about absences, meeting/telephone requests or appointments should continue to be reported to the school office.**

When requesting a meeting about your child, please do so with their class teacher in the first instance. **Please note that Mrs Mills and Mrs Fleming do not monitor their messages on Seesaw. All messages for them should go via the school office.**

At times, there is only one member of our clerical team in the office. As they have other duties to undertake throughout the school your call may not always be answered. If this is the case, please use the voicemail option and someone will get back to you.
