

# Family Forum Steering Group

We are a group of parents of children and young people who have Additional Support Needs. We meet regularly to share experiences, expand our understanding of ASN and ensure this is communicated to families across South Ayrshire.

The group may look at the following:-

- Ways in which we can provide support for families
- Sharing information
- Gathering the views of children and families
- Identifying support that really matters for the children and families
- Reviewing policies and procedures linked to ASN
- Assist with topics and ideas for our ASN Family Forum events

The next virtual meeting is scheduled for Wednesday 9<sup>th</sup> December 6.30-7.30. If you would just like to join the meeting to find out more about what we do or have any queries please contact
