Assemblies

We have been looking at Children's Rights and linking them to the Wellbeing Indicators of 'Included' and 'Healthy'. This term we have focused on Article 19 - you have the right to be protected from being hurt or badly treated and Article 24 - you have a right to the best health possible and to medical care and to information that will help you to stay well. The children worked in groups to identify what included looks like, sounds like and feels like in our school.

Transition

Mr Scott, DHT at Girvan Academy, recently visited to meet the P7s and discuss their move into S1. The boys are really looking forward to their upcoming visits to the school. These include a PE session; sample lessons and a tour of the school. Information will be sent out nearer the time.

Student

Miss Mackinnon successfully completed a placement in P1-P4. The children enjoyed having her in the class and learned a lot. We wish her well, as she returns to university.

Learning Journals

Please take time to have a look at the good work on your child's Learning Journal. Staff and pupils have recently uploaded successes and are keen to share their achievements. If you have trouble logging in, please contact the office.

Dolphin House

The P6s and 7s, along with school staff, had a fantastic residential stay at Culzean back in February. They experienced a range of activities from rock pooling to caving with highlights being meeting new people and sharing a dorm! Thank you again to the Parent Council and the BDT for funding it.

Social Media

Please keep an eye on the school website and Twitter account to find out more about what is happening in our school and EYC.
