

Girvan Directions Challenge

Start at Greggs, go North on Dalrymple Street and turn onto Hamilton Street. Then go onto Montgomerie Street and go North. Take the next right. What street are you on now?

If you are at Girvan Railway Station, what direction would you go, to get to the golf course? Can you walk straight there in a straight line?

Which park in Girvan is the furthest to the west?

Can you note down directions from the Premier Store to the Mini Market?

Use google maps - the address of Sacred Heart Primary is inaccurate right now- what would you put for the address. (Sacred Heart Primary is currently sharing the same building as Girvan Primary)

Map out or note down directions for a nice walk in Girvan. Mr Gaffney is looking for new routes to take Bridget the dog on! (I live to the south of Girvan Primary)
