

P1-4
Home Learning
Week Beginning: Monday 11th May 2020

Dear Parent/Carer,
 I have put together some activities for this week. A new sheet of activities will be posted on P1-4 Team on GLOW and the school website in their class home learning page every Monday morning. Please remember these are just suggestions; you can do as much or as little as you want. It is your choice as a family what suits your situation right now. Ideally, balance these activities across the week and do not try to achieve everything in the same day. I will be available to support your child, through Teams, during the normal school day from 9am-3pm. Remember the most important thing is to stay safe and have fun with each other at home.

Every time you wish you could do something, go somewhere, treat yourself, see someone you love, visit a new place, invite people to visit you then write it down or post it in a jar or tub. When all this is over work through the list and you'll be more grateful than ever for the little things in life. Until then, enjoy watching this fill with magical things to look forward to.
