Can you write your own Fake News front page story – from all that you have learnt about Fake News remember it has to grab people's attention to get as many readers as possible!

Point one: Think about your headline – it must grab the reader's attention.

Point two: Set out your work into paragraphs a beginning/middle /and an end.

Point 3: Is there a twist in the story, something that happens which changes the ending of the story.

Point 4: how many people/animals/aliens/monsters are involved or anything else you want.

Point 5: Think about your vocabulary, exciting openers and of course punctuation!

SO, CREATE A FRONT-PAGE NEWS STORY – add a picture – you can use newspaper letter cuttings as well for your headline – perhaps you want to draw a picture- paint a background – type up your story and stick it onto your background picture. It is your choice – but REMEMBER it must be eye catching!

Get your imaginations going! Good luck!
