

Dear Parent/Carer,

I have put together some activities for this week. A new sheet of activities will be posted on BPS Senior Team on GLOW and the school website in their class home learning page every Monday morning. Please remember these are just suggestions; you can do as much or as little as you want. It is your choice as a family what suits your situation right now. Ideally, balance these activities across the week and do not try to achieve everything in the same day. I will be available to support your child, through Teams, during the normal school day from 9am-3pm. Remember the most important thing is to stay safe and have fun with each other at home.

Reading – Book Detective From a book of your choice, complete a few different book detective roles. I have uploaded a pdf to remind you what the roles are and what to include in order to be successful. Audio Listen to David Walliams reading 'Bad Dad' https://www.worldofdavidwalliams.com/eleven-tes-catch-up/ Comprehension - 'Northern White Rhino' Go to: https://www.twinkl.co.uk/go/sign-in Use the code: DU7518	Fractions – Adding & Subtracting Fractions Watch: https://www.bbc.co.uk/bitesize/topics/zhdwxnb/articles/z9n4k7h Refer to: 'Add Subtract Fractions Slides' Add Subtract Fractions Worksheets: <ul style="list-style-type: none"> Fractions – 4A Decimals – 4B Percentages – 4C Fancy something different...? Use a set of Fraction Cards 4A or 4B and a copy of the Spinner. Each Fraction Card has an improper or a mixed number fraction. Choose one Fraction Card and then spin the spinner. The spinner will tell you what they need to do, e.g. 'Add two fractions together to make this your answer.' Then, create a correct number sentence so that the fraction they have chosen is the answer.

Complete 4 full rounds of this. <i>Top tip: If you have a speaker; blast your favourite music. Trust me, it'll make the whole experience more enjoyable and motivate you when you begin to feel the burn.</i>	Technologies: Sophia Barnacle Sophia was a British inventor who invented the Helter-skelter slide in 1907. Try using junk box materials to make your own helter-skelter or marble run. https://www.youtube.com/watch?v=IN0Wn0XgPXQ&feature=youtu.be Science: Dunking championships Which biscuit do you think will be the best for dunking? Choose a few different biscuits and some cups of warm water. Dunk each biscuit in the cups in turn. Which lasts the longest without breaking? Make sure you carry this out as a fair test, so only one variable gets changed – the type of biscuit. The volume of water, temperature of water and number of dunks all need to be the same.

How many words can you make in 5 minutes?

Remember you need to use the central letter in every word.

Clue = Someone with lots of energy.

Remember there is at least one nine letter to find.
