

P5-7 Home Learning
Week Beginning: 25/05/20

Dear Parent/Carer,
 I have put together some activities for this week – **there is a little bit less than usual as it is only a 3 day week**. Please remember these are just suggestions; you can do as much or as little as you want. It is your choice as a family what suits your situation right now. Ideally, balance these activities across the week and do not try to achieve everything in the same day. I will be available to support your child, through Teams, during the normal school day from 9am-3pm. Remember the most important thing is to stay safe and have fun with each other at home.
