

P1-4
Home Learning
Week Beginning: Monday 8th June 2020

Dear Parent/Carer,

I have put together some activities for this week. A new sheet of activities will be posted on P1-4 Team on GLOW and the school website in their class home learning page every Monday morning. Please remember these are just suggestions; you can do as much or as little as you want. It is your choice as a family what suits your situation right now. Ideally, balance these activities across the week and do not try to achieve everything in the same day. I will be available to support your child, through Teams, during the normal school day from 9am-3pm. Remember the most important thing is to stay safe and have fun with each other at home.
