MOVIE NIGHT

Fun Family Movie Night!

- Choose some movies (ideally 3) that you think your family would enjoy. Perhaps

- Create a <u>survey</u> to find out which one people want to watch. Use tally marks to find the film with the highest number of votes. The most popular can be your chosen film!

| Film	Tally Marks	Total
E.g. Lego Movie	II	2

Movie Poster

- Make a poster to advertise your Movie Night!

- Remember to add the title of the film, the price, the date and the starting time.

- Include information about the snacks you plan to give out

Tickets

- Make and sell some tickets for your movie night.

- Remember to add the title of the film, the price, the date and the starting time.

- Why not include a seat number?

Getting Ready on Movie Day

Set up your cinema area
- Make it dark if you can
- Make sure you have enough seats and number them to match your tickets
- Have your movie looked out and ready

Set up your snack shop
- Prepare your snacks
- Prepare your drinks
- Display your snack menu
- Have something to collect your money in

Movie Night!

- Collect the tickets from your customers as they enter the cinema.
- Allow your family to buy and collect their snacks
- Show your family to their seats (if you have a torch even better!). Check your guests are comfortable and introduce the film.
- Sit back, relax and enjoy the film!
