

Scottish Landmarks

To locate human and physical features of Scotland on a map.

Write the numbers of the landmarks in the key.

Key

- Edinburgh Castle
- Ben Nevis
- River Tay
- Loch Ness
- Wallace Monument

The map shows the outline of Scotland with five numbered stars indicating landmark locations: 1 is in the southeast near Glasgow; 2 is in the north-central region; 3 is on the west coast near Glasgow; 4 is in the central region; 5 is in the east-central region.

Scottish Landmarks

To locate human and physical features of Scotland on a map.

Colour in the key and draw a coloured dot to show each place on the map.

Key
