Health and Well being (HWB)

Joe Wicks Workout

Take part with Joe Wick live from 9am - 9.30am on utube.

If you miss the live session you can take part later in the day.

[Click here](#) for the link to Joe's workout.

Division (Dividing) word problems.

Before you do the Chili Challenge today, I want you to watch this video all about dividing by grouping and sharing.

[Click here to watch Mr Morrow.](#)

# Chilli Challenge

Choose the level you feel is right for you.

*Mild :-*

I have 8 apples and share them equally between my mum and I.  
How many do we have each?

*Spicy :-*

I have 12 sweets and I share them equally between myself and my friend.  
How many do we have each?

*Hot :-*

I have 15 marshmallows and I share them equally between my three cousins.  
How many do they have each?

*Fiery :-*

I have 24 marbles and I share them equally with between six class mates.  
How many do they have each?

\*Remember in class we used cubes or chestnuts. See what you can find to help you? It could be small sticks, stones, buttons etc.

**Remember to tell me what strategies you used. Just like we do in class.**

If you can take a picture of the calculation you chose and post it on Teams under Numeracy.

# Collecting and Presenting Data

30 children were asked to choose what their favourite activity for a free afternoon at home would be. Here are their answers.

1. Fill in the tally chart and then calculate the total of each response.
2. Draw a bar chart to present your data.

Activity	Tally	Total
Swimming		
Trip to the park		
Play computer games		
Baking		
Reading		

I can read and record information in tally marks.

I can read and record information on a bar chart/graph.

**Top Tip.**

**Cross of each activity as you record it on the tally chart.**

Maths(Optional) Choose an numeracy activity.

## Accessing Oxford Owl (1)

<https://www.oxfordowl.co.uk/>

The screenshot shows the Oxford Owl website homepage. At the top, there is a dark grey navigation bar with the 'OxfordOWL' logo on the left and links for 'Help', 'Join us', and 'Log in' on the right. The 'Log in' link is circled in red. Below the navigation bar is a grey banner with a wrench icon and the text 'We're sorry' followed by a message about access issues. The main content area is divided into two columns. The left column is for 'Oxford Owl for School' and features a list of resources and 'Log in' and 'Join us' buttons. The right column is for 'Oxford Owl for Home' and features a list of resources and an 'Enter site' button. A red arrow points from a text box on the right to the 'Log in' link in the navigation bar.

# *Express Yourself* Mental Health Week Activity Ideas

## Express Yourself - Whole School Assembly

Have a look at our assembly below for an introduction to the mental health week theme:

[https://youtu.be/Xp7KEGniN\\_M](https://youtu.be/Xp7KEGniN_M)

How you express yourself and your feelings is a personal choice but we have put together some ideas on the next page that you can choose from.

# Activity Ideas

## Art

Art is a brilliant way to express your feelings and emotions watch this clip for some ideas:

[https://www.youtube.com/watch?v=STdJ\\_8ORyE&feature=youtu.be](https://www.youtube.com/watch?v=STdJ_8ORyE&feature=youtu.be)

All you need is paper and a pencil.

More art activities for mental wellbeing can be found here:

[www.place2be.org.uk](http://www.place2be.org.uk)

Please share pictures of anything you have done on our Facebook page.

## Music

Music is a great way to express how you feel, Have a think about what songs make you feel happy, sad, excited, energised!

<https://www.youtube.com/watch?v=sELz0aCx9Lw>

Listen to the music in this link and think about how it makes you feel.

**(at 2:30 it's a little sad but all fixed at 4:20)**

You could create a playlist for certain times e.g.

A calming list, an energised list, a motivated list

Research shows moods are lifted when singing so turn up the volume (if no-one is working from home!) and sing out your favourite song!

Or perhaps organise a home disco for everyone to join in!

## Drama and Movement

### Miming games

With someone in the house see if you can act out some of the following feelings:

**Happily, sadly, angrily, carefully, joyfully**

Then pick an action to go with them:

**Ride a bike, walk, watch TV, sing**

See if someone can guess the feeling and the action! There are some great ideas for mimes in this short clip below:

<https://www.youtube.com/watch?v=m0R-ftFBm38>

Or try a 'mood walk'

<https://www.youtube.com/watch?v=8k32x-aYI4>

## Family Time

Spending time together away from a TV is a great way to talk, connect and discuss how you feel. Here are some fun ideas to try - that don't involve a screen!

- A colour walk, see if you can collect something on a walk from each colour in the rainbow;
- A board game, spend some time playing a game together;
- Reading - share a favourite book with someone in your house or begin reading together;
- Baking and cooking - make some tasty treats together.

Go out for a walk with an adult who lives with you. Wrap up warm if it is cold and wet. I always feel really good after a good walk.

Hope you have a great day and enjoy the activities I have posted. I will see you on Teams at 2.15pm Monday to Thursday. 10.15am Friday's and I will hear how you got on and read you a story.
