

Primary 6/7

Tuesday 23rd February

mardi le 23 fevrier

Precept of the Month

**“If you could be anyone, be
yourself”**

(Jason Barr p7)

Tuesday 23rd February - Overview

- HWB: 9:30am “Teams Check In”
- Literacy: **Reading Comprehension**
Reading
- Numeracy: **Warm Up (times tables)**
Number Talks (subtraction)
Money
- HWB: 1:30pm “Teams Check In”
Active Schools “PE with Mr Crookston”
- IDL/Science: **Space**

Before Break

- **Health & Wellbeing**
 - 9.30am “Teams Check In”
- **Literacy (Reading Comprehension)**
 - Task 1: Read “Tim Peake’s Space Diary” attached as a PDF below today’s tasks.
 - Task 2: Answer the reading comprehension questions on the page after the text.
 - Task 3: Share your answers on teams
- **Literacy (Reading - myON)**
 - 20 mins independent reading - myON book of your choice (see myON instructions on the following slides)

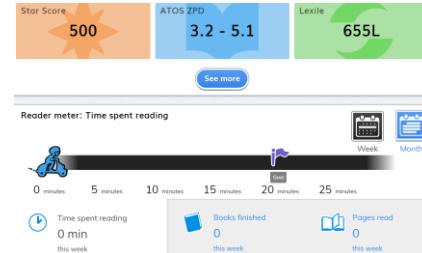

myON Logins

Adam	Murphy	murphya	abc
Alysha	Logan	logana	abc
Angela	Randall	randalla	abc
Ashton	Lamont	lamonta	abc

myON instructions

1. Log in by clicking on the link [myON login](#)

2. You will see your myON is linked to accelerated reader

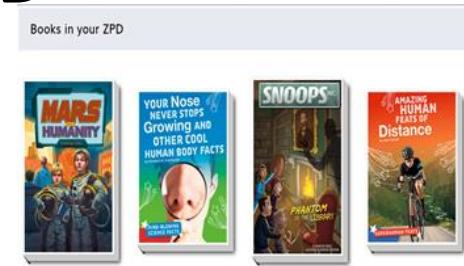

3. Click on “Library”, then “Recommended”

myON instructions cont...

4. Scroll down to “ Books in your ZPD”

5. Browse the books in your ZPD and click on info to find out more about them

6. Choose a book and read independently for 20 minutes or longer 😊

After Break

- **Numeracy & Maths**
 - Warm Up
 - Times Tables Games Practise the 2, 3 and 4 times tables
 - Number Talks
 - Subtraction Challenge
 - Money
 - Ed City – Squids In (Activity)
 - Please complete the “Totals to £1” worksheet attached as a PDF below today’s tasks.

Number Talks

Subtraction Challenge

What level can you get to?

Use any resources you like and your number talk strategies to help you.

Level 3: $97 - 58$

Level 2: $48 - 26$

Level 1: $48 - 24$

The image shows handwritten mathematical work on a light-colored surface. At the top, the words 'Add Up' are written in green. Below it, the equation $42 - 16 = 26$ is also written in green. Further down, the number 16 is written in green, followed by a sequence of numbers: 20, 40, and 42. Above these numbers, three green curved arrows point upwards, each labeled with a green '+' sign and a green digit: '+4' above 20, '+20' above 40, and '+2' above 42. To the right of this sequence, the words 'Place Value' are written in purple. Below 'Place Value', four equations are listed in purple: $38 - 16 = 22$, $30 - 10 = 20$, $8 - 6 = 2$, and $20 + 2 = 22$.

Afternoon

- **Health & Wellbeing**
 - 1.30pm “Teams Check In”
 - Active Schools “PE with Mr Crookston” click on the link [Tapping Circles](#)
- **IDL/Science**
 - Task 1 – [Gravity](#) click on the link, watch the video, take part in the activity and complete the quiz
 - Task 2 – Have a go at the “Gravity Space Bottle Experiment” attached as a PDF below today’s tasks
