Getting started

STEP 1

Follow the login instructions provided by your child's teacher.

Student login credentials provide the ability to personalize the program, monitor progress and measure growth.

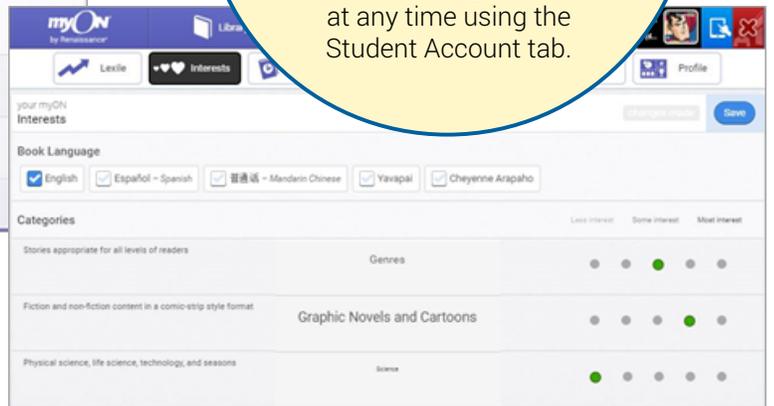

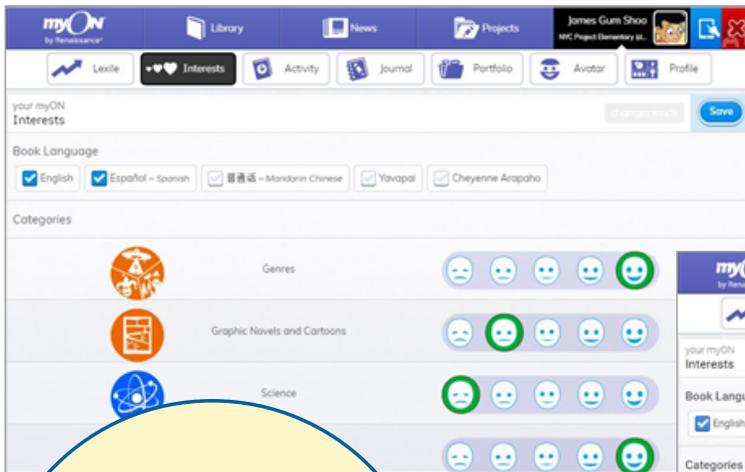

Pre-K-5

STEP 2

Interest Inventory

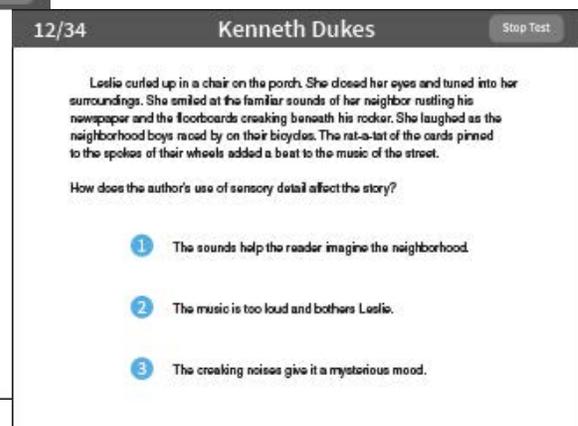

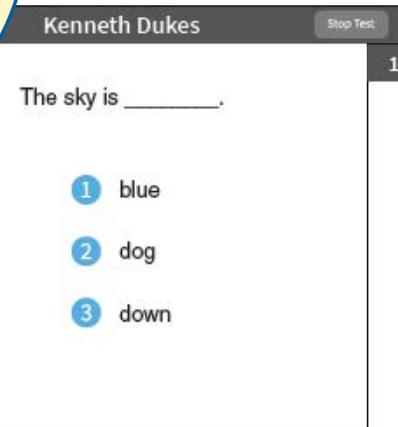

Indicates your child's interests based on 11 categories. The interest inventory interface changes based on grade level. Students have the ability to update reading interests at any time using the Student Account tab.

STEP 3

Placement Test

It's important that students are reading text appropriate for their ability level. That's why a short assessment to determine each student's initial reading level is administered.

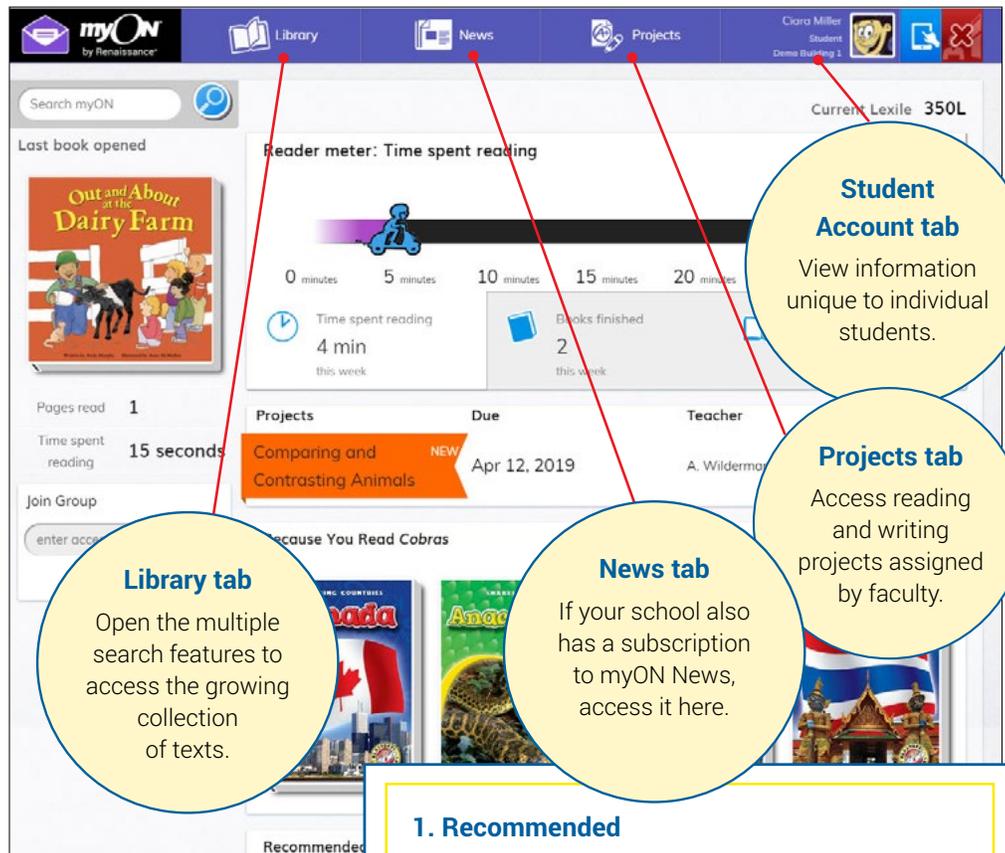

Grades 6 and Up

Navigating your personal collection

Pre-K-5

This landing page provides your child with the ability to: view recent activity, specific recommended titles, current reading level and account usage information.

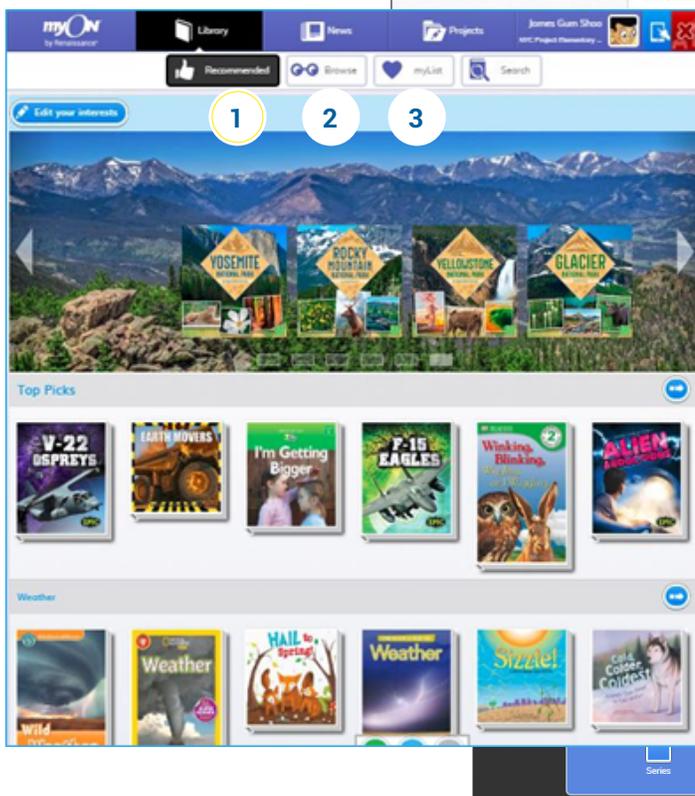

Student Account tab
View information unique to individual students.

Projects tab
Access reading and writing projects assigned by faculty.

News tab
If your school also has a subscription to myON News, access it here.

Library tab
Open the multiple search features to access the growing collection of texts.

- 1. Recommended**
Books based on student interests and reading ability. Personalized for each individual user, students can access a variety of books recommended specifically for them.
- 2. Browse**
Access all books within the growing collection. This tab allows students to search by specific categories.
- 3. My List**
Personal collection of student's favorite books they have saved for later use.

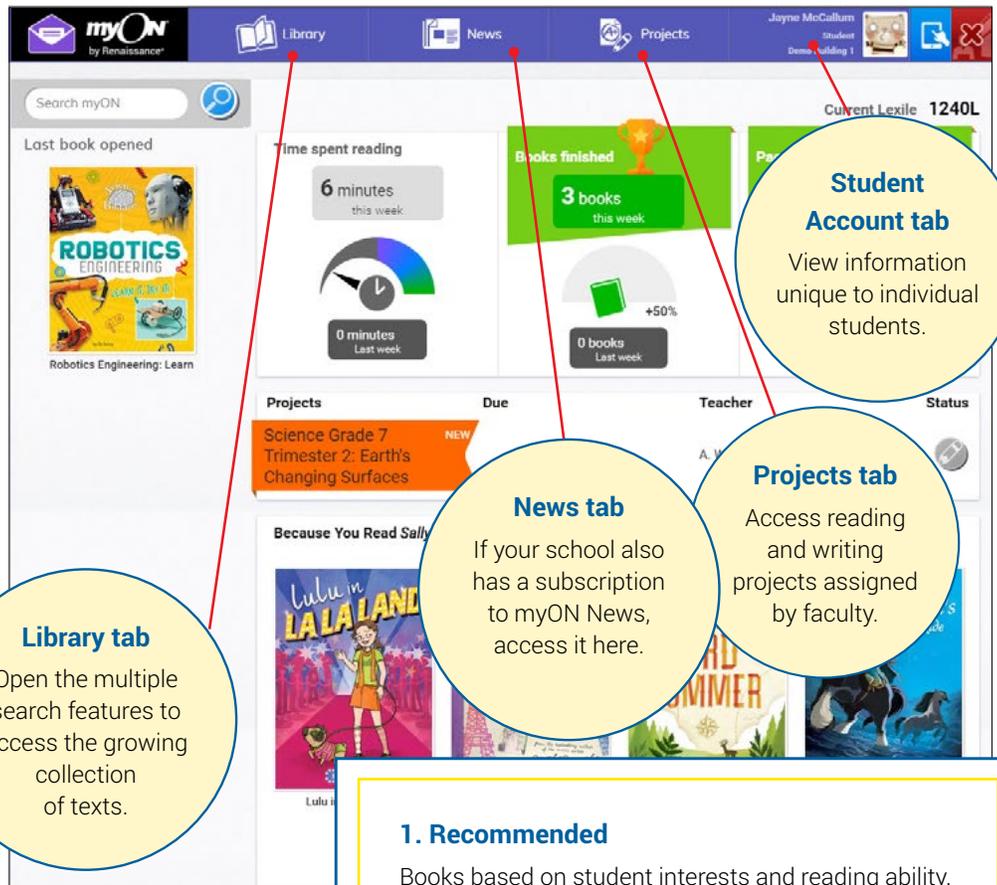

Search
Use a variety of search options to access specific content.

Did you like this book?

Students have the option to rate the book on a 5-star scale and share their thoughts about the book with a 140-character review. Faculty can publish student reviews so other readers can view.

Dictionary

Look up a word or show the meaning of a word that you selected in the book.

Sleepy Spiders

hibernate

winter. Spiders hibernate inside their webs.

Others spend the winter in empty shells. The water spider hibernates until the water freezes.

Amazing but True!

Water spiders live underwater, but they still breathe air. These clever

hibernate

hibernate: verb
to pass all or part of the winter in an inactive state in which the body temperature drops and breathing slows.

Pronunciation:
MAY-bee-ate

Literacy tools

Students can use a variety of literacy tools to annotate directly on the pages of books within the myON library.

Tools
To use the tools, open a book and click on the tools icon. This will provide students access to all of their literacy tools.

 **Brush**

For drawing in the book using a paintbrush.

 **Highlighter**

For highlighting text on the page being read.

 **Sticky Notes**

For creating and editing sticky notes on the page being read. Students move the pin to where they want the note and then click to create one. Then they can enter text. In the note, students can click the  button to choose a different icon for the top of the note to show what kind of comment the student is making, such as a question or something the student wants the teacher to look at.

 **Shapes**

Used to mark areas of the page.

 **Arrow**

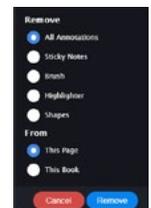

Used to point out areas of the page.

 **Eraser**

Used to erase other items the student has added to the page, such as brush marks, highlighting, shapes, lines, and arrows. (Sticky notes are deleted using the trash icon in the note.)

 **Delete**

Opens a menu to choose the item(s) you want removed from the page or the entire book.

 **Color**

Sets the color for items you add to the page, including the brush, highlighter, shapes, lines, arrows, and sticky notes.

Journal

Opens the Journal for making entries about the current book.

Journal
To use the journal, open a book and click on the journal icon. This allows students to make entries about the current book.

-  Enables you to copy text from the book. This is not available for books that do not include audio.
-  Enables you to add a citation. It automatically adds the information from the book along with a date.
-  Starts a new journal entry. Previous entries are listed on the left, where you can select them to open them.
-  Deletes the open journal entry.
-  Closes the journal.

Student assessment

Book Quiz

Students can demonstrate their knowledge of the books they read. After a book is completed, students are prompted to take a quiz. The quizzes include five questions randomized from a pool of twelve. The quizzes are optional based on faculty preferences and can be turned on or off.

1. Which is the main idea of this book?

- Learn about how a water spider breathes.
- Learn about different types of spiders found in water.
- Learn all kinds of information and fun facts about water spiders.
- Learn about the different predators of the water spider.

2. Which of these colors would you find on a water spider?

- yellow
- red
- blue
- purple

Choose the best words that would fill in the blanks.

Kyle hurried toward the door. It was time for recess.

Kyle ran toward the ball bin. Maybe today he would play basketball or soccer. Maybe he would play football or kickball.

Kyle got to the ball bin and stood on his tiptoes. He looked sadly at into the bin. It was empty!

"This is ," he said. "Where could all of the balls have gone?"

Kyle slowly across the playground. He saw a huge group of kids playing kickball.

"I'll never get a turn to kick," Kyle said. "I'm going to find another .

He checked the football field. It was empty.

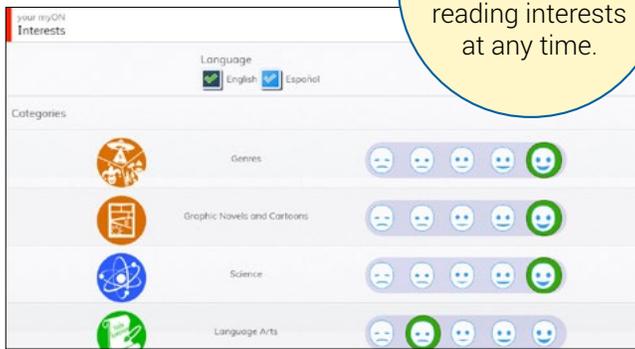

He looked over at the soccer field. Kids were running around, but they did not have a ball.

Assessments

Reading assessments seamlessly connect with myON, helping match students with the perfect texts and giving educators greater insight into student learning. These tests will update student reading levels, and books within the student recommend tab will change based on the results.

Student profile

Students can click on the account tab to view their specific reading activity, avatar options, as well as update their interest inventory, monitor their individual reading growth, and view journal entries.

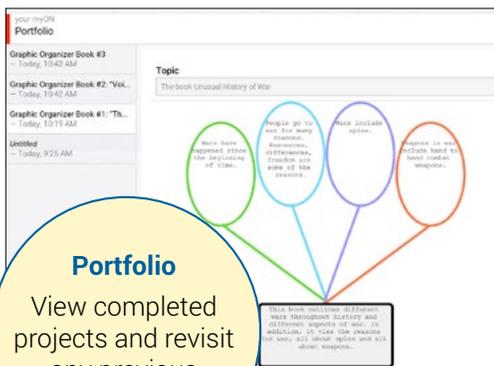

Interests
Students have the ability to update reading interests at any time.

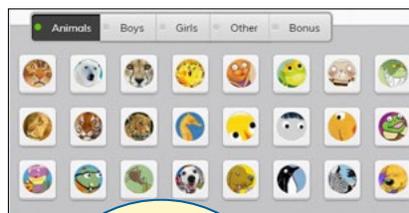

Growth
Monitor reading growth by accessing progress data.

Journal
Access reading journal entries and see all corresponding notes and citations.

Portfolio
View completed projects and revisit any previous essays.

Avatar
Students can personalize their accounts with a profile image.

Profile
Students can access information on their individual student reading activity.

Recommended titles
