Home Learning Information

Good morning P4/5!

Have a quick look through the slides for today and see what you've got to do. Please remember that some of your tasks may be uploaded as a separate PDF document. These are uploaded to the Teams page and the school website daily. As always, if you have any questions please do not hesitate to ask.

Our Check in times are at **10:00am** and **2:00pm**. Please remember that there are no afternoon calls on a Friday. There are also daily maths check ins held on the numeracy channel. Check the daily slides to find out the time for your group.

If you can't get on to a meeting please just send me a message and I will invite you to the call.

Parent Information

- If you need to chat to me about anything at all just call the school on 01655 885802 and the office will transfer you.
- I just wanted to say a huge thank you to everyone who has engaged in the home learning so far, you are doing a fantastic job in these difficult times. It is very much appreciated. Some days can look quite busy so just do what you can and there will always be time given to catch up on a Friday.
- If you need any resources such as jotters or pencils please contact the school or myself and we will arrange a time for you to collect these.
- Please don't worry about missing a check in on Teams. Your child does not have to attend all of these but can if they want to. Do what works best for your family.
- The Health and Wellbeing of our class is my priority so please don't hesitate to get in touch if you or your child are worried about any aspects of home learning.
