

## Optional Extension Task (Triangles)

Have a go at this if you have time, it links to the work you are going to look at tomorrow. 😊

# Time

T2.2

1 Write these units of time in order, from smallest to largest.

hour      day      month      year

second      minute      fortnight      week

Write the units of time that are:

2. minute...

- less than an hour
- more than a month
- the same as 2 weeks
- less than a week
- more than a minute, but less than a day
- more than a week, but less than a year.
