

Values in P4/5

Choose 4 values you think are important for P4/5. Then draw a picture and write a couple of sentences to show how you are going to demonstrate this value in class. I have given you an example in the first column.

Value	Kind			
Action (How are you going to show this value in class?)	I am going to ask people how they are feeling and try to cheer my friends up when they are sad. 			

Remember you can use the Cairn School Values to help you pick yours.
