

# Friday 4th March 2021

Good morning P4/5!

# Friday Funday

- Number of the Day (9:00 - 9:30am)
- Make your own pattern (9:30 - 9:45)
- Maths Games (9:45 - 10:30am)
- Check In and Chat (10:00 - 10:15am)

## Break (10:30 - 10:45am)

- Spelling Test/Reading (11:00 - 11:45am)
- Finishing off Friday (11:45 - 12:30am)

## Lunch (12:30 - 1:15pm)

- P.E. (1:15 - 1:45pm)
- WBD Free Choice Friday (1:45 - 3:00pm)

Today is a bit more relaxed, take time to spend with your family and complete some of the fun activities that I have planned. 😊

# Number of the Day (9:00 - 9:30)

LI: To answer mental maths questions.

Choose one of the numbers and answer the questions.

## 473

## 1533

Round to the nearest 10

Round to the nearest 10

Write the number in words

Write the number in words

How many hundreds, tens and ones does this number have?

How many thousands, hundreds, tens and ones does this number have?

Times it by 2 or double it

Times it by 2 or double it

What is 26 less?

What is 66 less?

Add 33

Add 52

What is the next odd number?

What is the next odd number?

Take away 120

Take away 126

Add 101

Add 1001

Is this number odd or even?

Is this number odd or even?

# Creating my own pattern.

## LI: I can create my own number pattern.

Can you create your own tricky addition and subtraction number patterns?

Don't forget to write down the rule!

**My addition number pattern rule:** \_\_\_\_\_

**My number pattern is:**

**My subtraction number pattern rule:** \_\_\_\_\_

**My number pattern is:**

Challenge  
Can you create a multiplication and division number pattern and rule?

Example

The number pattern is:  
101, 202, 303, 404, 505

The addition rule is:  
Start at 101 and add 101 each time.

# Check in and Chat (10:00 - 10:15am)

1. Overview of the day.
2. Where do we see patterns?
3. Times table show me (bring something to write with).

# Numeracy - Times Table Work (9:45 - 10:30am)

LI: To quickly recall times table facts.

It's so important that we take time to revise our times tables regularly so that we don't forget them.

1. First, time yourself practising your least favourite times table to see how well you really know it. Maybe this is one you could focus on today.

2. Now have a go at some of these online games

<https://www.topmarks.co.uk/maths-games/hit-the-button>

<https://www.timestables.co.uk/>

<https://www.timestables.co.uk/speed-test/>

<https://www.theschoolrun.com/top-times-tables-games>

<https://www.mathschase.com/>

<http://www.maths-games.org/times-tables-games.html>

<https://www.multiplication.com/games/all-games>

Click on the link while pressing the ctrl button and the link should open. As always, let me know if you have any problems.

3. Now try at least one of the three games on the following slide. These are a fun way to practise your tables with someone at home. 😊

# Game 1 - Kaboom

If you are looking for more information about this game [click here](#) or send me a message. 😊

## You will need:

1. A pencil or pen
2. A cup
3. Small pieces of paper folded up or lolly pop sticks - you will need 12 for each times table you want to practise.
4. Someone to play with.

## Instructions:

1. Write your times table facts on the lolly pop sticks or small bits of paper e.g.  $8 \times 1 = 8$ . Remember, this can also be written like  $1 \times 8 = 8$ .
2. On 2 lollypop sticks or bits of paper write no calculation but KABOOM! instead.
3. Place your lolly pop sticks or paper in a cup.
4. Take it in turns to select a calculation from the cup. Say the answer of your calculation and check it using the facts you have written out (from the previous slide). If you get the answer correct, keep the stick. If you get it wrong, discuss how you are going to remember the answer in future.
5. If a player pulls out a KABOOM! all the calculations have to go back into the cup and you start again.
6. After playing it a few times, remove the KABOOM sticks and the person with the most sticks/paper at the end wins. Have fun!

Yours should look something like this.

>>>

# Game 3 - Bingo

14	10	16
0	16	12

## You will need:

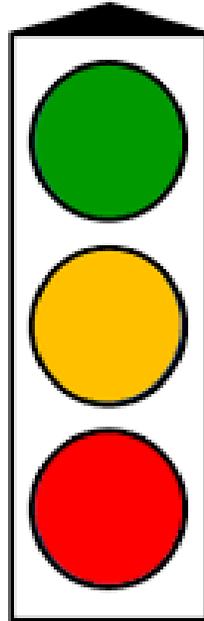

1. A pencil or pen
2. Paper
3. Other players and a caller (optional)

## Instructions:

1. Get a sheet of paper and draw a rectangle on it.
2. Now split your rectangles into 6 squares.
3. Pick a table you want to practise and on each square write an answer from the table you have picked.
4. Now get someone to call out calculations from that table. For example, if you have chosen to practise the 5 times table they could say  $5 \times 5$ .
5. If you have the answer to that calculation which in this example is 25 then you mark it off you board.
6. Once you have marked off all six calculations shout bingo!

# How do you feel you did with the maths work today?

If you don't have coloured pencils at home, write the colour you are feeling in words to show me how you got on before uploading your work to teams.

I understand what to do and can do it on my own.

I think I understand what to do but need more practice.

I don't really understand and need someone to help.

I am available on Teams each day so please just message me if you feel you are struggling and we can look at your work together. **Remember it's okay to be in the learning pit, that just means your brain is working super hard!**

# Spelling Words

# Reading and Spelling (11:00 - 11:45am)

LI: To utilise spelling patterns to spell words accurately.

LI: To read for pleasure.

## Task 1

1. Today you are going to try doing your own spelling test using the look, cover, write and check strategy. Make sure you don't peak though! Or ask someone in your house nicely to read out the words for you.
2. Once you're finished, post your score on Teams if you like. 😊

ReadingWise

## ReadingWise Group

Please complete a 20 minute session of ReadingWise here before you read with a family member. You can access the website here -

<https://app.readingwise.com/>.

Take a look on the next page to see the reading task for today.

# Reading and Spelling (11:00 - 11:45am)

LI: To utilise spelling patterns to spell words accurately.

LI: To read for pleasure.

1. Click on the following link to access a page that looks like this one on the right - <https://www.thinglink.com/scene/1419053778367152130>.
2. Hover over some of the different icons and see what they say. Some are activities and some are audiobooks.
3. Find an audiobook you would like to listen to and click on it. The love heart icon is an extract from *Gangsta Granny* by David Walliams. If you haven't read this one already, I think you would like it!

# Finishing Off Friday (11:45 - 12:30pm)

I have put a date under each task so you know where to find the relevant slides.

**ReadingWise Group**  
Please catch up on your ReadingWise sessions if you haven't done this yet.

We have had another busy week so now take some time to complete any unfinished tasks. Some tasks you may want to finish are...

**FING Tasks**  
(04.03.21)

**French - Pets**  
(03.03.21)

**Recipe Writing**  
(03.03.21)

**Health and Wellbeing - Values**  
(01.03.21)

**Science Experiment**  
(02.03.21)

**World Book Day Competition**  
(04.03.21)

**Home Learning Survey**  
(everyday)

You might have some other tasks that you didn't finish and want to now - that's fine too.

# HWB - P.E. (1:15 - 1:45pm)

## LI: To increase my fitness levels.

Don't forget to record this exercise on your active schools daily exercise tracker.

Today I thought we would workout with Joe for a change. Use the following link to click on today's video and complete your daily exercise on the Body Coach TV -

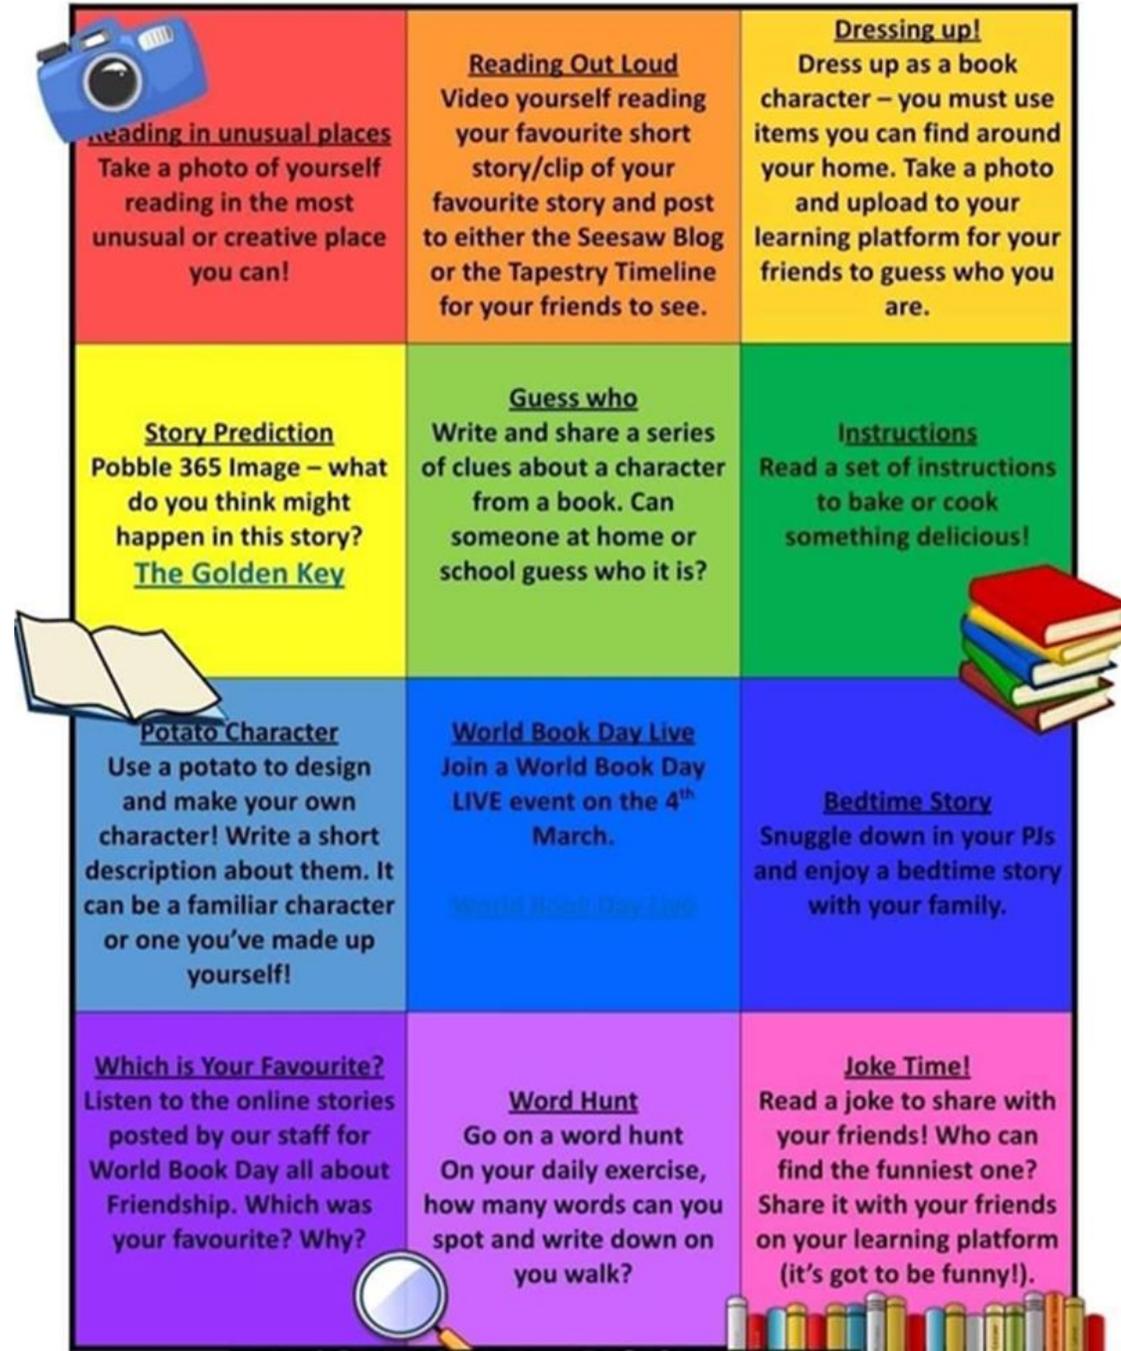

[https://www.youtube.com/results?search\\_query=Joe+Wicks+P.E.](https://www.youtube.com/results?search_query=Joe+Wicks+P.E.)

# World Book Day Activities (1:45 - 3:00pm)

Today we are going to have Free Choice Friday - World Book Day edition.

Choose at least one of the activities from the menu to complete this afternoon and upload a picture to Teams.

 <p><b><u>Reading in unusual places</u></b> Take a photo of yourself reading in the most unusual or creative place you can!</p>	<p><b><u>Reading Out Loud</u></b> Video yourself reading your favourite short story/clip of your favourite story and post to either the Seesaw Blog or the Tapestry Timeline for your friends to see.</p>	<p><b><u>Dressing up!</u></b> Dress up as a book character – you must use items you can find around your home. Take a photo and upload to your learning platform for your friends to guess who you are.</p>
<p><b><u>Story Prediction</u></b> Pobble 365 Image – what do you think might happen in this story? <b><u>The Golden Key</u></b></p>	<p><b><u>Guess who</u></b> Write and share a series of clues about a character from a book. Can someone at home or school guess who it is?</p>	<p><b><u>Instructions</u></b> Read a set of instructions to bake or cook something delicious!</p>
 <p><b><u>Potato Character</u></b> Use a potato to design and make your own character! Write a short description about them. It can be a familiar character or one you've made up yourself!</p>	<p><b><u>World Book Day Live</u></b> Join a World Book Day LIVE event on the 4<sup>th</sup> March. <a href="#">World Book Day Live</a></p>	 <p><b><u>Bedtime Story</u></b> Snuggle down in your PJs and enjoy a bedtime story with your family.</p>
<p><b><u>Which is Your Favourite?</u></b> Listen to the online stories posted by our staff for World Book Day all about Friendship. Which was your favourite? Why?</p>	<p><b><u>Word Hunt</u></b> Go on a word hunt On your daily exercise, how many words can you spot and write down on you walk?</p>	<p><b><u>Joke Time!</u></b> Read a joke to share with your friends! Who can find the funniest one? Share it with your friends on your learning platform (it's got to be funny!).</p>

# World Book Day Activities (1:45 - 3:00pm)

Select a character from a Roald Dahl book of your choice to draw from the little art school. You can access the videos which here -

[https://www.youtube.com/results?search\\_query=LITTLE+ART+SCHOOL+ROAHL+DAHL](https://www.youtube.com/results?search_query=LITTLE+ART+SCHOOL+ROAHL+DAHL)
