

Returning to School

Task 1

Fill in the face to show how you feel about returning to school. Then fill in the boxes to tell me more information about how you are feeling.

How I Feel

I feel...

I am
thankful for...

I can't
wait to...

Task 2

You may also have some worries about returning to school which is completely natural. The best way to deal with worries is to share them and talk about them with those who are closest to you. If myself and whoever is at home know what your worries are we can help you deal with them. Fill in the clouds with some of your worries about coming back to school.

Now have a think about what I (and whoever is at home) could do to help you with your worries and write this below.
