COVID-19 Update

Can we please give you all a reminder to keep 2metres apart at all times, but especially at dropping off and picking up times. May we also ask that all adults wear a face covering at these times and that only one adult should enter the Centre grounds to drop off or collect each child. Please use the gate next to our car park to enter the grounds and leave via the gate behind Chestnut Cottage, maintaining a one-way system. We will have the car park gates closed at busy times to ensure the safety of everyone walking into the Centre. Please do not park across the entrance, since this is how any emergency vehicles would get access. Thank you.

Learning Journals

We have been working behind the scenes to set up a new way of reporting your child's progress to you. Over the next few weeks we will be launching a new interactive app which you can access at your leisure. This will share your child's significant learning with you and you can also keep us updated with what achievements are happening at home. Don't worry if you will be unable to download the app because we can print off the information at regular intervals for you.

Facebook

We are closing our old Facebook Group and opening up a new page. Here is the link to our new page, please go on and like it.

<https://www.facebook.com/Cherry-Tree-EYC-102475388340863/>

Please remember that this page is for sharing with you what we are doing here in the Centre and as a source of information. It has not to be used for any negativity. If you have any queries, concerns or complaints, please contact the Centre directly on 01292 612037.

Snack Money

May we please give you a reminder to hand snack money to the person welcoming your child on a Wednesday. We rely on this money to provide your child with a healthy snack during the day. Thank you.
