

## August 2020 Newsletter

Welcome back to Cherry Tree everyone. We would like to say a massive big Well Done to all of our children who have returned or just newly joined us. The children have taken things in their stride and already seem to be settling in well.

We have a few things to remind you of, so thought it best to put them in a Newsletter to keep you updated.

Snack Money Will be collected each Wednesday, this is so that we are only handling money on one day of the week due to COVID-19. If you could please

give your £2.00 contribution to your child's Keyworker when you drop off or pick up, we would really appreciate it. Snack money is used to buy a healthy snack, baking ingredients and to go towards little treats for all of the

children.

Drop off and pick up times May we please remind you to stick to your allocated timeslots. This is to ensure that everyone is able to social distance and keep safe, please observe the safe distance signs along the fence. We are trying to maintain a one- way system at the busy drop off times, so you should enter via the gate at the car park and leave via the gate near to the school. Please don't use this gate to come into the Centre. Thank you.

Breakfast Please try and encourage your child to have breakfast before they arrive at nursery because it may be some time before they get a snack. Children who are morning sessions and arriving before 8.30am can have breakfast here.

Clothes Can you please send a change of clothes for your child to be kept in nursery in case of any accidents. All jackets and bags should be named to prevent them being lost or muddled up with other children's belongings. If you need a marker pen to write their names on, just ask at the office.
