

Ballantrae and Colmonell Primary School and Early Years Centres

IMPROVEMENT PLAN: 2024-2025

VISION – Reviewed by children, parents and staff in 2023

A safe place to be where we are responsible and respectful and have no limits to our learning.

Lifelong Limitless Learning

VALUES – new values as decided by children 2023

Wisdom Compassion Justice Integrity

Aims – Updated 2023

- > To create a safe, happy and caring environment where children, staff and parents can work together to ensure that everyone is encouraged to have a voice, is valued as a member of our school community and enable all to become confident individuals.
- > To continually encourage and support high standards of personal achievement in all aspects of life, in school and out, fulfilling each child's individual potential, enabling all to become successful learners.
- To ensure that communication with staff, parents, children and wider community is open and transparent, making regular contact with all through newsletters, school website and involvement in wider community activities and enable all to become effective contributors.
- > To nurture our universal health and wellbeing, encouraging positive respectful behaviour in all, to allow everyone to become responsible, global citizens.
- > To inspire and support high standards of teaching and learning through continuous self-evaluation of all school work, ensuring all staff are given opportunities to continually develop their skills within a collegiate, cooperative and supportive community.

Rationale for Improvement

Key priorities of the National Improvement Framework

- $\succ\,$ Placing the human rights and needs of every child and young person at the centre of education $\,-\,\sqrt{}$
- > Improvement in children and young people's health and wellbeing $-\sqrt{}$
- $\,>\,\,$ Closing the attainment gap between the most and least disadvantaged children and young people $\,\,\sqrt{}\,$
- > Improvement in skills and sustained, positive school-leaver destinations for all young people $\sqrt{}$
- > Improvement in achievement, particularly in literacy and numeracy. $\sqrt{}$

Our Improvement Plan, this session, focuses on the priorities of the National Improvement Framework first and foremost. Our School Improvement Plan's priorities, reflect the NIF in the following ways:

School Priority 1 – Curriculum School Priority 2 – Adaptive Teaching School Priority 3 – Health and Wellbeing Cluster Priority 4 – Expressive Arts PEF – Play based learning & swimming

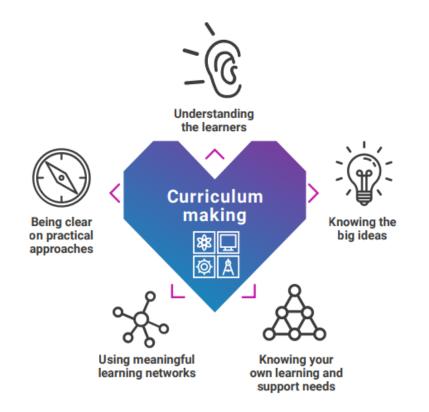

Following our very successful implementation of 2023/24 school Improvement plan, our focus this session will be on Curriculum. Within this theme, our aim is to create progressive and coherent pathways in learning throughout the school, relevant to children's everyday lives and interests. Our curriculum will be responsive and child led. Pupil voice will feature highly. Teaching and support staff will effectively develop curriculum, based on a clear understanding of pedagogical approaches in learning and teaching. These will be embedded within consistent, high quality approaches across all stages in the school. Profiling children's learning and sharing learners progress in all curricular areas with parents will continue through Learning Journals. Knowledge and understanding of meta skills will continue to enhance learning and teaching within all areas of the curriculum but in particular outdoor learning and play based learning.

Local Authority Improvement Planning, including South Ayrshire Reads and South Ayrshire Learns will run parallel with our own school improvement plan.

Scotland's curriculum – Curriculum for Excellence – helps our children and young people gain the knowledge, skills and attributes needed for life in the 21st century. Using the refreshed narrative, the School Improvement Plan will focus on the following key considerations:

How we do it

Taking curricular aims and translating them into practice is a continuous process. Getting this right is critical and this diagram sets out key considerations, activities and ways of working to support the process of curriculum making.

Self Evaluation

Returning to the Quality Indicators in HGIOS 4, HGIOELC and a Quality Framework for Early Level will support regular on-going self-evaluation both in the Primary and in Early Years:

HGIOS 4:

- Leadership and Management: How good is our leadership and approach to improvement? Particular focus on *1.2: Leadership of Learning*
- Learning Provision: How good is the quality of care and education we offer? Particular focus on 2.2: Curriculum
- Successes and Achievements: How good are we at ensuring the best possible outcomes for all our learners? Particular focus on **3.3 Increasing creativity and employability.**

Quality Framework for Early Years:

- How good is our care, play and learning?
- How good is our setting?
- How good is our leadership?
- How good is our staff team?

A monitoring and evaluation calendar of self-evaluation activities, for both Early Years and Primary school, will support the leadership team to take a balanced and proportionate approach to Self-Evaluation and focuses on **5 key quality indicators – 1.3, 2.1, 2.3, 3.1, 3.2** which will inform our Standards and Quality self-evaluation at the end of session 2024-25

This School Improvement Plan is the final part of a three year plan which was identified in collaboration with staff and parents. This session we will focus on Curriculum following the development of our Vision, Values and Aims and Learning, Teaching and Assessment.

Year 1 – Vision, Values, Aims $\sqrt{}$ (Review of SIP 2022/23)

Year 2 – Learning and Teaching and Assessment $\sqrt{(2023/24)}$

Year 3 – Curriculum $\sqrt{(2024/25)}$

What Outcomes Do We Want To Achieve?	How Will We Achieve This? (Intervention Strategies)	Start and finish dates	How Will We Measure Impact On Children and Young People? (Include Where Possible Current Measure and Target)	January 2025 Review
 Children and young people's skills development, approaches to and knowledge and understanding in Expressive Arts is enhanced due to further staff development of pedagogy and assessment. Children and young people have a coherent and progressive learning experience in Expressive Arts across and throughout Girvan cluster schools/EYCs. There is a collegiate development of an art and design programme linked to Girvan Academy. Children, young people and staff will engage more readily with Expressive Arts and aspire to pursue a career in Expressive Arts. Staff will share experiences and good practice at all levels, moderate expectations in Expressive Arts and develop greater collegiality between cluster schools/EYCs. Children and young people will experience quality learning and teaching in Expressive Arts due to increased levels of confidence and expertise in staff. Quality learning and teaching will be informed through reliable and relevant assessment information. 	 Individual schools will have negotiated collegiate time with staff to make these tasks happen. All teaching/EYC staff will join a group of 3. Each member of staff may be from another CFE level. September Twilight Session: the plan will be presented to all staff; staff will be notified of their trio then organise visit dates and focus area. Steering Group: provide CLPL over the session; collate a directory of professional and community links to aid with planning and delivering art and design lessons; identify and cascade up-to-date information relating to planning and assessing art and design, particularly in the development of skills. September - November: Trios will observe one colleague teaching an art and design lesson (time swapped from RCCT/collegiate time). December - January: Trios will observe second colleague teaching an art and design lesson (time swapped from RCCT/collegiate time). January - March: Trios will observe third colleague teaching an art and design lesson (time swapped from RCCT/collegiate time). May In Service (half day session): session at Girvan Primary School to celebrate staff and 	August 2024 - June 2025	Individual school/EYC self- evaluation of Expressive Arts. Cluster Art Exhibition Classroom observations (SMT, mentors, colleagues from across schools/EYCs). Staff evaluations following CLPL activities. Children's views on Expressive Arts.	Cluster questionnaire for staff and children.

 pupil learning and present skills development framework. CLPL will be organised throughout the year and be on an opt-in basis.
