Dear Parent/Carer,

Children Entitled to a Free School Meal

From tomorrow the Council will be moving to centrally preparing and distributing free school meals from specific primary schools. A list of all the primary schools is detailed below and is also available on the Council and School Websites. Parents of primary, secondary and special school children who currently receive a free meal at school should go to their nearest primary school on the list, between 12:00pm and 2:00pm, where a nutritional meal will be available for you to collect for each of your eligible children.

Proposed schools to be used as food hubs
