

### Literacy

- Please log into Education City, user names and passwords can be found on the inside of your red jotter. Please complete the literacy tasks I have set you in the homework folder. ☺
- New spelling sound is 'oa'. Sing jolly phonics song for 'oa'. This can be found on YouTube. Practise writing words which contain the 'oa' sound- oak, oat, coat, boat. Can you think of any other words with this spelling pattern? Write them down. Create a poster with 'oa' spelling words. Watch Geraldine Giraffe on YouTube finding objects which contain 'oa' words.
- Everyday please practise your letter formation. Do this by using the Mr Crammond website. Click on the Language tab and then letter formation and finally letters of the alphabet. Practise writing each letter on a piece of paper.
- Draw a story map for The Gingerbread Man, or for a story of your choice. Remember your story map should be in the correct order. Can you add a title and date too?
- Revise all initial sounds and diagraphs using the Jolly Phonics songs on YouTube:-  
<https://www.youtube.com/watch?v=U2HYM9VXz9k>
- Reading- continue to practise your word wall in creative ways, for example create hopscotch with words, copy out with rainbow colours or even paint your word wall words on a large sheet of paper.
- There is a fantastic app called *Teach my Monster to Read*. It covers everything from initial sounds to reading full sentences. It is completely free on laptops or the app costs 99p to download onto phones/tablets. It is a really fun and effective way to keep reading everyday! Please visit the website and create an account. Can you compete level 1?

### Numeracy and Maths

- Over the next two weeks we will be learning about adding numbers within 10/20. We will also be learning about capacity. Log into Education City with your username and password and complete the tasks I've set for you in the homework folder. Please watch the video called 'Lemonade Stand' first as this explains what capacity is.
- In your sink can you find out how many glasses of water a jug can hold? Can you find out how many glasses of water it takes to fill up a juice bottle or water bottle? How many jugs of water does it take to fill the sink? I'd love to see some photos of this!
- Practise writing numbers 0-20 everyday. What is the highest number you can write up to starting from 0? Sing along with Jack Hartmann, count to 100 song on YouTube.
- Choose a game on Topmarks learning to count, and play for at least 10 mins every day.

### Health and Wellbeing

Make a poster for your house showing how to wash hands correctly. Go to <a href="https://www.youtube.com/watch?v=07YNCFI50il">https://www.youtube.com/watch?v=07YNCFI50il</a> for support.	Do at least 10 minutes of Cosmic yoga at <a href="https://www.cosmickids.com/category/watch/">https://www.cosmickids.com/category/watch/</a> or available on YouTube.	
Set up a circuit for PE. You could have squats, burpees, press ups, sit ups, or star jumps. Time yourself doing it and try to beat your time each day.	Design 3 healthy meals. Go to <a href="https://www.foodafactoflife/">https://www.foodafactoflife/</a> for ideas and support.	
Write down 3 things each day that you are grateful for. It can be people, things and experiences – anything!	Learn to tie your shoe laces.	
Learn to tie a school tie.	Play noughts and crosses with someone at home	
Make a paper aeroplane, decorate it and fly it.	Follow a dance from a music video, e.g. the macarena, cha cha slide.	
Draw a picture and colour it. Alternatively look out your window and draw and colour what you see.	Draw round your hand and write something in each finger to show how you have helped at home.	
Make a musical instrument. It could be drums (pot and wooden spoon), shaker (rice in a container) etc.	Try to make shadow puppets on a wall or outside.	
Ask someone at home if you can help them. Everyone needs help sometime.	Find a quiet, safe place to read a book of your choice.	

### IDL Projects

Our new topic is Toys in the Past! Draw/write a list of toys from the past. Ask a parent/Grandparent to help you.

### Science

During Science lessons we have been learning about different materials and their uses. Discuss different materials can you find around your house?

### Additional Information

Additional grids have been added to the Coylton Website including:

- Technologies
- HWB
- Rights Respecting Schools (RRS)

Please take some time to choose a few activities from these grids appropriate to PI stage.
