

Virtual Bikeability

Bikeability will not be available this year, however that does not mean you cannot have some fun with your family on your bike, especially with this lovely weather we have been having!

Cycling Scotland have put together some tips on cycling safely as a family at this time.

<https://www.cycling.scot/mediaLibrary/other/english/7702.pdf>

There are also useful video clips for Bikeability levels 1 (P5) and level 2 (P6) to help keep your skills up and keep you safe on the roads!

Stay safe and happy cycling 😊

Miss Marr and the Bikeability Team.
